Dear Sir/Madam,

Greetings

SKIT, established in the year 2000, has emerged as a premier centre of technical education in northern India, possessing well developed infrastructure, facilities and an atmosphere conducive to learning. The Institute offers various undergraduate and postgraduate courses in the field of Engineering and Management. The institute is affiliated to Rajasthan Technical University, Kota and accredited by National Board of Accreditation.

We are glad to inform you that Chemistry Department is organizing a one day Symposium on Chemistry and Environment on **December 23, 2011, Friday**. This event consists of invited talks of the experts and poster presentations to identify and suggest solution to some of the industry defined problems.

We are dedicated for sharing and creating awareness and disseminating knowledge to understand and develop better and better solutions for a cleaner and greener environment amongst the fraternity of researchers. We invite you and your associates to participate and contribute research papers in the concerned areas. We request you to circulate this letter among the students, research scholars, faculty members and encourage them to participate in the symposium. There will be registration fee of Rs. 100/- for all the participants. To plan the programme in a better way, it would be highly appreciated if you could let us know the no. of participants latest by December 20, 2011, Tuesday. Programme Schedule and registration form is enclosed.

We hope to see you at symposium 2011.

With warm regards

Prof. Archana Saxena
Head-Dept. of Chemistry
Convener, Symposium 2011

Prof. S. K. Calla
