Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the learnings of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today the Institute is recognized as one of the centers of academic excellence in Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Postgraduate and Graduate Courses in Engineering and Management. Our sister institution Swami Keshvanand Institute of Pharmacy (SKIP) is affiliated to Rajasthan University of Health Sciences for offering Graduate Course in Pharmacy.

Located in the Pink City Jaipur, which is a blend of traditional history and modern outlook, SKIT is putting in efforts for making industry ready engineers and managers through effective Industry –Institute Interface. Apart from University curriculum SKIT also pursues activities for research and development in various fields.

The green landscaping, aesthetic elegance of arches and the vibrant pursuit of knowledge by the young aspirants make the environment serene, pleasant and dynamic.

Students joining the institute share the box full of opportunities for professional and personal development through an environment of practical orientation, industrial interaction and student led activities which help the students to develop good communication skills, integrated personality and greater competitive spirit.

### Our Inspiration

"Mass illiteracy is the root cause behind backwardness of India. If we want speedy progress of nation we need to root it out as early as possible."

— Swami Keshvanand

Swami Keshvanand, an orphan, illiterate, nomadic man who never received formal education, was the founder of more than 300 schools, 50 hostels and innumerable libraries, social service centers and museums. Swami Keshvanand had a deep understanding of the rural society of the desert region. He had explained the peculiarities of the desert region, identified the problems and suggested appropriate and logical solutions. It was Swami Keshvanand's lifelong endeavour to eradicate social evils like untouchability, illiteracy, child marriage, indebtedness, poverty, backwardness, alcohol abuse, moral dissipation etc.

#### Vision

To promote higher learning in advanced technology and industrial research to make our country a global player

#### Mission

To promote quality education, training and research in the field of Engineering by establishing effective interface with industry and to encourage faculty to undertake industry sponsored projects for students.

#### **Quality Policy**

We are committed to 'achievement of quality' as an integral part of our institutional policy by continuous self-evaluation and striving to improve ourselves.

Institute would pursue quality in

- All its endeavours like admissions, teaching- learning processes, examinations, extra and cocurricular activities, industry institution interaction, research & development, continuing education, and consultancy.
- Functional areas like teaching departments, Training & Placement Cell, library, administrative office, accounts office, hostels, canteen, security services, transport, maintenance section and all other services."

4 Seven Day Activities During Special Camp

### 4.1 DAY FIRST OF CAMP: INUAGURATION OF THE CAMP (WEDNESDAY 27th FEBRUARY, 2019)

The students reached the village by morning and they immediately realized that the place was an abysmal pit. All the volunteers cleaned and washed the place thoroughly. Once everything was in place, all of them settled down. But there were more bottlenecks awaiting us. There was no water for drinking as well as bathing. So, some of the volunteers along with our Program officer went to the villagers for arranging the same. Then students were given the opportunity to have an introduction with the villagers and familiarize themselves with the milieu. So, there was a one to one interaction between the villagers and the student volunteers. After supper, there was a meeting to discuss the plan for the coming days. Students noted down each and every minor detail which they came across in the introduction session.

The camp began with the inaugural function in the Dantli Village. The programme began when Mr. B. S. Sharma, Deputy Registrar accompanied by Nodal Officer Dr. Anurag Sharma welcomed Mr. Manoj Sharma of Srapanch Dantli Village Tehsil Sanganer, Jaipur.

After the welcome, the program flagged off with a Shradhanjali to Pulwama attack soldiers and Lamp Lighting Ceremony by the Chief Guest Mr. Manoj Sharma joined by Mr. B. S. Sharma, Deputy Registrar accompanied by Nodal Officer Dr. Anurag Sharma.

डेली न्यूज, mix रिपोर्टर

जयपुर। अब तक यूनिवर्सिटी व कॉलेजों की ओर से राष्ट्रीय सेवा योजना के तहत लगाने जाने वाले कैम्प में बच्चों में पढ़ाई के प्रति जागरूकता लाने, सफाई के प्रति अवेयरनेस जैसे प्रयास किए जा रहे थे। अब स्टूडेंट्स ने स्कूलों की दशा सुधारने का बीड़ा भी उठा लिया हैं। इन कैम्प के मद्देनजर सरकारी स्कूलों को स्टूडेंट्स खुद बदलने में जुट गए हैं। इन स्कूलों को आकर्षक बनाने की कवायद की जा रही हैं। इसके तहत स्कूलों में पेंटिंग्स व आर्ट वर्क किया जा रहा हैं। इसमें विभिन्न

विषयों को लेकर दीवारें सजाई जा रही हैं। हाल ही में दांतली गांव के राजकीय स्कूल में आयोजित किए गए एनएसएस के कैम्प में स्कूल की तस्वीर बदलती नजर आई। स्कूल की दीवारों पर हो रहे कलर की जगह उसे सजाया गया। पहले तो जहां साफ सफाई की जरूरत थी, वहां पर सफाई की, वहां पर सफाई की और फिर रंगरंगोन किया। इसके बाद स्टूडेंट्स ने अपनी क्रिएटिविटी से स्कूल की सूरत बदल दी। स्कूल की दीवारों पर शिक्षा से जुड़े संदेश लिखे तो वहीं बच्चों में स्पिरिच्युअलिटी को बढ़ाने के लिए उससे जुड़े चित्र भी बनाए। रंगों के अनोखे संयोजन को जिसने भी देखा, उसने जमकर तारीफ की।

## Different Camps during 2017-2018

### **Progress Report**

As frequently uttered by our honorable Prime Minister, Shri Narendra Modi ji, the various villages of our country form the rudimentary foundation and reflect the true development of our nation. A smart village essentially encompasses a sustainable and inclusive development of all the sections of the village community eventually contributing to a high standard of living.

In this benevolent respect, we have been tirelessly working for the development of a village named Dantli which lies in the vicinity of our institute in Jagatpura. Our team has incessantly strived to contribute in an array of fields associated with education, health, clean water, sanitation and environmental sustainability by conducting Medical camps, Awareness programs, Plantation drives and periodical Door to door visits. A preview of all the events conducted at Dantli village is mentioned as follows:

1. Medical Camp: Medical camp was organized in village Dantli on 11<sup>th</sup> February, 2018 (Sunday). This camp was organized in the association of Neerog Trust. Many specialists of different medical fields participated in this camp mainly Dr. Arun Gupta (General Physician), Dr. Sanjay Agrawal (ENT), Dentist Dr. Anjali Tiwari etc. Around 250 patients benefited by this camp. All medical checkups were free during the camp and medicines were also distributed free of charge. Mobile app was used for registration of the patients. Around 40 student coordinators coordinated the camp. During the camp Nukkad natak was also played for the general awareness. Sarpanch of the Village Mr. Manoj Kumar Sharma duly appreciated the efforts made by the organizers.

Our project is a small step towards making India a developed nation by working on developing the progress at the grass root level of smartening the rural development. And humbly I assure you that most certainly we will continue to strive for it.

### Words of Acknowledgement

It is often believed that genuine guidance, support and blessings are the unparalleled qualities that can never be paid back. The entire SKIT family yet wishes to express a heart- felt word of gratitude to all those who were associated with Gramothan work directly or indirectly for their valuable support. We also hold a firm belief that this gesture of encouragement will certainly help our students.
