ABOUT JAIPUR

Jaipur was founded in AD 1727 by Sawai Jaisingh II. Jaipur, the capital of Rajasthan is popularly known as the Pink City with broad avenues and spacious gardens. Jaipur is steeped in history and culture. Here the past comes alive in magnificent forts and palaces, blushed pink, where once lived the maharajas. The bustling bazaars of Jaipur, famous for Rajasthan jewellery, fabric and shoes, possess a timeless quality and are surely a treasure-trove for the shoppers. This fascinating city with its romantic charm takes you to an epoch of royalty and tradition. Spread around it, in rows, are public buildings, the residences of noblemen, the living and trading quarters of merchants and artisans.

ACCOMODATION

Participants have to make their own arrangements for their stay at Jaipur during the conference. Accommodation can be arranged on prior request and payment basis.

MODEL & POSTER EXHIBITION

Model & Poster Exhibition will be organized during the conference. Best model and best poster will be awarded separately. For more information, please visit or contact Er. Aakash Johari (8077814674) & Er. Ajay Gautam (9413632333)

A TWO DAY NATIONAL CONFERENCE ON SUSTAINABLE DEVELOPMENT FOR SMART CITIES

SDSC-2019

JANUARY 18 - 19, 2019

Venue
GYAN MANDIR AUDITORIUM, SKIT, JAIPUR

Organized By

DEPARTMENT OF CIVIL ENGINEERING
Swami Keshvanand Institute of Technology,
Management and Gramothan
Ramnagar, Jagatpura, Jaipur-302017, Rajasthan

ABOUT SKIT

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the learning of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced learning. Today the institute is recognized as one of the centers of academic excellence in northern India. The Institute is affiliated to Rajasthan Technical University (RTU), Kota for offering postgraduate and under graduate courses in engineering and management. SKIT is putting in efforts for making industry ready engineers and managers through effective Industry-Institute interface. **SKIT has been declared 1st Rank by RTU for 2nd consecutive year.** The institute is also accredited by NBA and IE(I).

ABOUT CIVIL ENGINEERING DEPARTMENT

Due to extra-ordinary growth in the infrastructure development in the country, the demand for skilled civil engineers is growing with high pace. To meet the growing demand of construction industries, the institute started B.Tech. course in Civil Engineering from the session 2011-12. All laboratories of the Civil Engineering department are having latest equipments of undergraduate programme and required for research purposes. Civil Engineering department also provides consultancy services on various technical issues to the society.

ABOUT SDSC-2019

The Government of India had launched 'The Smart Cities Mission (SCM) in June 2015 to create 100 smart cities in five years (by 2020), with the ostensible goal of improving the quality of life in Indian cities. Engineers have vital role in accomplishment of the major elements of smart cities mission. With this zeal, Department of Civil Engineering, SKIT is organising a two day **National Conference on Sustainable Development for Smart Cities (SDSC-2019).**

This conference is set up to provide a unique platform to bring the stakeholders and experts of urban development and governance to discuss and deliberate on various models of smart cities. This will also create awareness among academicians, professionals, researchers, industry persons and students about the need for smart cities.
