Glimpses of the event

About the event: An online live event DIGITOUR was organized by music club skit, Jaipur, in collaboration with artist @AtrangiFunkaar. It was a promotional event in which we have provided our official Instagram handle @musicclubskit as a platform to promote their songs. It was a 60 min long session hosted by the artist, with an engagement of 30+ viewership. The main motive of the event was to give artist an opportunity to showcase their work and talent, with this our audience also get chance to interact live with big performers and got tips/tricks to work on themselves so that they can improvise accordingly. The event was completed successfully due to the team work and by the support of the team members.
