Resolution:

The third meeting of the Board of Studies (BoS) commenced with a formal welcome address and introduction by Dr. Loveleen Kumar, Coordinator, BOS-CSE, who also outlined the objectives of the meeting and presented the detailed agenda. Dr. Mehul Mahrishi, Head of the Department (CSE) and Convener, BOS-CSE, subsequently placed the minutes of the previous BoS meeting held on July 24, 2025, for confirmation, which were reviewed and duly approved by the members.

The agenda items were then taken up for comprehensive discussion, wherein the members engaged in detailed deliberations on the proposed academic and curriculum reforms in alignment with NEP-2020 and AICTE guidelines. After careful evaluation, the BOS experts unanimously approved all proposed changes, including the transition of the credit system from the LTP basis to the self-learning hours basis as per NEP-2020. They also approved the introduction of the non-credit course "Disaster Management and Preparedness" in place of "Campus Recruitment Training (CRT)," along with the inclusion of electives and the integration of Assignment Mapping, Project Outcomes, and Industry and MOOC buckets to strengthen outcome-based education.

Furthermore, the BOS experts conducted a thorough review of the syllabus content for the 3rd Year (V and VI Semesters) and provided valuable suggestions for enhancing the courses "Machine Learning," "Cloud Computing," and "Deep Learning." They also recommended updating the syllabus of one of the Open Elective courses to align it with current industry and academic trends. After incorporating all the suggestions and revisions, the updated course content was unanimously approved by the Board.

In addition, the BoS members approved the panel of examiners and paper setters for the forthcoming end-semester examinations. The meeting concluded with a formal vote of thanks proposed by Ms. Nidhi Srivastav, acknowledging the valuable contributions of all members.
