The program aimed at familiarizing the new students with the academic and techno-cultural environment of the institute. A brief description of the activities performed during the Induction Program is as under:

### **1. Orientation Programme**

SKIT conducted the Orientation Programme, 'Aagaz-2022' for B.Tech first-year students on 3rd November 2022. Mr. Anil Dhaka (IRS) MD RRECL attended the ceremony as the presiding guest. Mr. Girdhar Beniwal (IAS) Sub-Divisional Magistrate, Tonk and Ms. Vibhuti Mangal, Squadron Leader, Indian Air Force graced the inaugural ceremony as the guests of honor. The chief guest of the programme Ms. Arti Dogra (IAS), Secretary to the Chief Minister could not make it to the ceremony due to some inevitable and urgent work. A gracious floral welcome, a shawl and a memento were presented to each of them by the honorable Surja Ram Meel, Chairman, SKIT; Shri Jaipal Meel, Director, SKIT and Prof. S.L. Surana, Director (Academics), SKIT. The induction cum orientation programme was initiated with enlightening words by Surja Ram Meel, Chairman, SKIT. He directed the attention of the new students and their parents toward the core value of the institution which is to reward hard work and consistency, no requests are entertained if they hinder the academic performance of the students. He emphasizes in the boundaries of the institution, every student has an equal opportunity to take charge and shine. He also reminded the students to pay attention to each class that they attend and to maintain an aggregate 75% attendance in each subject. He assured the parents that the management and faculty members of the institution will do their best to support the development of their wards but they should also remain mindful of their ward's state of affairs, especially in the first year.

Mr. Anil Dhaka (IRS) MD RRECL recalled his experience in college. He shared his personal experience of studying and attending college from 9 am to 9 pm. He highlighted the importance of hard work and insisted that there is no shortcut to success. He was a student from an Arts background, which was conventionally looked down upon by society but he took it as a challenge and was determined to achieve his goal of becoming a bureaucrat. He shared another incident from his life to illustrate the authority and respect that comes with holding an important official position. He taught the students that although power comes with a lot of benefits, we should think ethically before utilizing them for our personal benefit. A mesmerizing medley of classic songs was performed by the Music club.

Prof. S.L. Surana, Director (Academics), SKIT apprised the newcomers of the vision and mission of the college. He shared the importance of academic excellence as well as overall personal development with the students. He asked the students to actively participate in extracurricular activities and actively work towards becoming a better version of themselves. This was followed by the address of Shri Jaipal Meel, Director, SKIT. He threw light on the institute's focus on providing a holistic education that caters to techno-industry advancement but also created upstanding citizens who behave responsibly in society.

Rajasthani folk dance was performed by some very talented young ladies from the dance club. Their enchanting dance and beautiful dresses reminded the audience of the true beauty of the land of Rajasthan. An insightful address was delivered by Mr. Girdhar Beniwal (IAS) Sub-Divisional Magistrate, Tonk, following the splendid dance performance.

As an alumnus of the institute, he talked about what he learnt from the experience he gained on campus. He gave his own example to point out the fact that it is SKIT which provided him with the resources and the values that helped in the formulation of who he is currently. He also laid a strong emphasis on hard work and discipline in life. Ms. Vibuti Mangal, Squadron Leader, Indian Air Force, another alumna of the college carried on the conversation beautifully by providing anecdotes from her own life. She talked about the various struggles she has faced in her life and how she always persevered in the face of these adversities. From physical injuries to losing opportunities, she never gave up. Her story inspired the students to dream big and do all that they can to achieve those dreams as she exemplified.

Dr. Ramesh Kumar Pachar, Principal, SKIT, took the stage to thank the guests of honour for their inspiring words and talked to the students about the rich history of the institution. He also provided vital information to the parents and their wards regarding the infrastructure of the college, and the academic assessment and evaluation system of the college and encouraged the parents to be in touch with the batch counselor of their wards. His speech was followed by another dance performance by the dance club which was a fusion of classical kathak and hip-hop.

The vote of thanks was delivered by Dr. Rohit Mukherjee, Incharge, I Year, SKIT. Dr Mukherjee thanked the guests of honour for gracing the event with their auspicious presence and inspiring the new students. He thanked the Chairman and Director (Academics) for motivating the students and providing them with vital information about the college. He thanked all the faculty members and students who did their best to make the event successful and last but not least, he expressed his grateful thanks to the audience.

It was essential for giving exposure, guiding thoughts, and realizing values. These sessions were held as per the schedule in annexure II.

#### 5. Proficiency Enhancement Classes

Proficiency classes for English, Mathematics, and Computer were held during the induction program as per the schedule. These special classes catered to the academic domain of proficiency among budding engineers. ## **6. Program for Understanding and Learning Spoken English-PULSE (Workshop on Communication Skills)**

Learning a new language is not an easy task. There are many things to consider like difficult grammar rules, extra vocabulary, and even new pronunciation. As an English Second Language (ESL) learner, one might feel nervous about speaking and participating in long conversations. Hence, the need was felt to organize sessions on speaking skills so as to make the students aware of the importance of speaking and also to guide them on how to acquire this skill easily. In order to provide assistance to the students to acquire the four skills of Language learning to become industry ready, the Department of English organized PULSE (PROGRAMME FOR UNDERSTANDING AND LEARNING SPOKEN ENGLISH) a two-week workshop on improving communication skills as a part of the induction program 2022. The workshop was coordinated by Dr. Neha Purohit, Head, Dept. of English, Dr. Anupriya Singh, Dr. Krishna Sharma, and Dr. Shipra Malik. The sessions of PULSE were held as per the schedule attached in Annexure I
