

**SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY,
MANAGEMENT & GRAMOTHAN, JAIPUR**

A Report

On

**“One Week National Workshop on Green Practices for Sustainable
Development”**

for faculty and research scholars

(6th – 10th February, 2024)

Organised by

Department of Chemistry, Civil Engineering and Management Studies

**Swami Keshvanand Institute of Technology, Management
& Gramothan, Jaipur**

In association with

**Green Chemistry Research Centre, Govt. Dungar College, Bikaner and
Swami Keshvanand Institute of Pharmacy, Jaipur**

Name of Institute: Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur

Name of Department: Department of Chemistry, Civil Engineering and Management Studies

Title of Event: “One week national workshop on green practices for sustainable development” for faculty and research scholars

Maximum Number of Participants: 70

Date: 6th -10th February, 2024

Duration: 5 days

Venue: J. C. Bose Seminar Hall

Level of the Event: National Level

Objectives of the event

Green practice is an important component of green human resource management and it is a process of designing education and creating awareness among researchers and integrating environmental sustainability goals and objectives. To ameliorate and improve in sustaining the quality of the environment, a component of green human resource management which is green training and development practice becomes a mechanism for creating awareness, developing abilities and enhancing knowledge to foster consciousness towards protecting the environment. The main objective of the workshop to generate awareness on sustainability and green practices not only in labs but also in everyday life.

Topics covered in the Workshop

- Green Campus and green audit
- FTIR and its applications
- Augmented Reality and Virtual Reality
- Green Chemical Education and Resources

- Bioremediation- a green solution
- Effect of waste management on Well Being addressing SDG3
- Reuse of treated sewage for irrigation- issues, challenges and remedies

Details of the Schedule

| Time | Day -1 Tuesday 06.02.2024 | Day -2 Wednesday 07.02.2024 | Day-3 Thursday 08.02.2024 | Day-4 Friday 09.02.2024 | Day-5 Saturday 10.02.2024 |
|--------------------|--|--|--|--|--|
| 9:30 AM - 10:00AM | Inauguration | | | | |
| 10:00 AM- 11:30 AM | Session 1 Dr.Narendar Bhojak Professor,Green Chemistry Reaserch Centre (GCRC), Govt Dungar College, Bikaner Title Green Campus & Green Audit | Session 3 Dr. Narendar Bhojak Professor, Green Chemistry Reaserch Centre, Govt Dungar College (GCRC), Bikaner Title Augmented Reality & Virtual Reality | Session 5 Dr. Garima Kaushik Assistant Prof., Central University of Rajasthan, Ajmer Title Bioremediation- A Green Solution | Session 7 Prof. Archana Saxena Professor,SKIT, Jaipur Title Sustainable lifestyle changes adopted in present scenario | Session 8 Prof. A. B. Gupta Professor, MNIT, Jaipur Title Reuse of treated sewage for irrigation- issues, challenges and remedies |
| | Session 2 Dr. H.S. Bhandari Assoc. Prof. & Incharge, Green Chemistry Reaserch Centre, Govt Dungar College, Bikaner Title FTIR & its application | Session 4 Dr. S. K. Verma Asst. Prof. Green Chemistry Reaserch Centre, Govt Dungar College, Bikaner Title Green Chemical Education & Resources | Session 6 Dr. Nivedita Kau Associate Prof. MNIT, Jaipur Title Effect of waste management on Well Being addressing SDG3 | | Session 9 Valedictory & Feedback |

About Workshop

Green practice is an important component of green human resource management and it is a process of designing education and creating awareness among employees and integrating environmental sustainability goals and objectives into the organization's wider agenda. To ameliorate and improve in sustaining the quality of the environment, a component of green human resource management which is green training and development practice becomes a mechanism for creating awareness, developing abilities and enhancing knowledge to foster employee commitment and consciousness towards protecting the environment.

About SKIT

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the learnings of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today the institute is recognized as one of the centres of academic excellence in Northern India. The institute is affiliated to Rajasthan Technical University (RTU), Kota for offering Ph.D, Postgraduate and Graduate Courses in Engineering and Management. The institute is approved by All India Council for Technical Education (AICTE), New Delhi. Engineering branches are accredited by National Board of Accreditation (NBA), New Delhi and also by Institute of Engineers, Kolkata. Located in the Pink City Jaipur, which is a blend of traditional history and modern outlook, SKIT is putting in efforts for making industry ready engineers and managers through effective Industry -Institute Interface. SKIT has been consecutively ranked No.1 in engineering programmes for 6 years from 2017-18 to 2022-23. In Rajasthan by Rajasthan Technical University (RTU), Kota.

Department of Chemistry

The Department of Chemistry strives its best for excellence in research and teaching. Faculty of the department is well qualified and motivated with a strong commitment towards teaching, research and mentoring. The commitment towards research is reflected in the research paper publications in reputed national and international journals as well as presentations in conferences/seminars. The department is well equipped to undertake projects sponsored by the Ministry of Human Resources and Development, Department of Science and Technology, and Council of Scientific and Industrial Research. The department also encourages industry sponsored research. The faculty has been active in organizing conferences, seminars, workshops, FDPs and scientific meetings from time to time. Department offers a vibrant and dynamic atmosphere to nurture the spirit of inquisitiveness amongst students and faculty members.

Department of Civil Engineering

Due to extraordinary growth in the infrastructure development in India and abroad, demand of skilled civil engineers is growing with high pace. To meet the growing demand of construction industries, our institute started B. Tech. course in civil engineering from the academic session 2011-12. All laboratories of the department are having latest technological instruments as per requirement of curriculum and also for research purpose. Civil Engineering Department also provides consultancy services on various technical issues to the society and government departments.

Green Chemistry Research Center (GCRC)

Green Chemistry Research Center was established in the Chemistry department of Govt Dungar College, Bikaner in the year 2004 since then the center is working for the development of Green Chemical Technology and also for creating awareness about the Green Chemistry. It has a strong association with its mentor institution GCNC, New Delhi. It is founded by Prof. Narendar Bhojak and presently the in-charge is Dr. Hemendra Singh Bhandari. The GCRC has initiated a new concept of interdisciplinary research in the Govt Dungar college Bikaner in terms of BIRC which has not only become the best practice for the institution but a source of inspiration and example for many other initiatives of Rajasthan college education. The contribution towards innovation viz - Science Films, learning by doing project, e-magazine and a multi faculty research journal, Micellar technology for extraction and nanoparticle preparation, Development of low cost Green Microwave Biochemical Reactor (GMBR). Recently the GCRC is also contributing in the field of Green Auditing, NEP and Augmented and Virtual reality.

Patrons

Mr. Raja Ram Meel, Patron SKIT Jaipur
Mr. Surja Ram Meel, Chairman SKIT Jaipur

Mentors

Mr. Jaipal Meel, Director
Prof. S. L. Surana, Director (Academics)
Prof. Ramesh Kumar Pachar, Principal
Mrs. Rachna Meel, Registrar

National Advisory Board

Prof. P.S. Verma, Emeritus Scientist, UOR Jaipur
Prof. A. B. Gupta, MNIT Jaipur
Prof. R. K. Vyas, MNIT Jaipur
Prof. Narendar Bhojak, Govt. Dungar College, Bikaner
Prof. Vimal Chandra Srivastava, IIT Roorkee, Roorkee
Prof. S. K. Awasthi, Head, Department of Chemistry, Delhi Univ.
Prof. Vivek Pandey, Department of Chemistry, RTU, Kota
Prof. Surekha Bhanot, BITS, Pilani
Dr. Kanika Solanki Shyam Lal, College University of Delhi, Delhi
Dr. Goverdhan Vyas, Govt College Jaipur (Chhatargarh)
Dr. Nivedita Kaul, MNIT Jaipur
Dr. Hemendra Singh Bhandari, Govt. Dungar College, Bikaner
Dr. S.K. Verma, Govt. Dungar College, Bikaner
Dr. Maena, MNIT Jaipur
Dr. Garima Kaushik, CURAJ, Kishanganj (Rajasthan)
Dr. Sweta Vyas, Department of Chemistry, Kota Univ.

Institute Advisory Board

Prof. R. K. Jain, Dean
Prof. Mukesh Arora, Head, OFA
Prof. Sangeeta Vyas, Head, OSA
Dr. Sharda Soni, Head, Department of Chemistry
Prof. D.K. Sharma, Head, Department of Civil Engineering
Prof. B. L. Sharma, Department of Civil Engineering
Prof. Dheeraj Joshi, Head, Department of Mechanical Engineering
Prof. Ashish Nayyar, Department of Mechanical Engineering
Dr. Sarfaraz Nawaz, Head, Department of Electrical Engineering
Prof. Rohit Mukherjee, JC B.Tech. I Year
Prof. Amber Srivastava, Head, Department of Maths
Prof. Brajraj Sharma, Head, Department of Physics
Prof. Neha Purohit, Head, Department of English

Coordinators

Prof. Archana Saxena, Department of Chemistry
Prof. Vinita Sharma, Department of Chemistry

Co-ordinators

Dr. Swati Joshi, Department of Chemistry
Dr. Pooja Jain (Dy. Head), Department of Civil Engineering

Organizing Secretaries

Dr. Anurag Sharma, Department of Chemistry
Dr. Poonam Qha, Department of Chemistry
Mr. Vikas Vyas, Department of Civil Engineering

Organizing Committee Members

Dr. Kishan Lal Jain, Dr. Nandini Moondra, Mr. Ankur Mishra

Details of the Event

A 5 day “National Workshop on Green Practices for Sustainable Development” was organized by Department of Chemistry, Civil Engineering and Management Studies in association with Green Chemistry Research Centre, Govt. Dungar College, Bikaner and Swami Keshvanand Institute of Pharmacy, Jaipur for faculty and research scholars from 6th – 10th February, 2024. On each day, experts from various fields addressed the audience.

DAY 1 (6th February, 2024) The workshop started with the inaugural session in which Prof. S. L. Surana, Director Academics, SKIT threw light on the biggest issue that the world is facing now-a-days i.e. environmental degradation.

After that in technical session-I, Dr. Narendra Bhojak, Prof, GCRC, Govt. Dungar College, Bikaner gave his talk on “Green Campus and Green Audit”. His lecture gave requirements for setups of green alternates in laboratories and experiments to minimize harmful and toxic chemicals in different chemical reactions. He also explained the

The next session on day 1 was taken by Dr. H. S. Bhandari, Assoc. Professor, GCRC, Bikaner on the topic FTIR and its applications. In his lecture he explained the instrumentation technique of FTIR and showed that it can be used for the characterization of sample compounds.

DAY 2 (7th February, 2024) This session was addressed by Prof. Narendra Bhojak again and this time he presented on the topic AR and VR. He explained the use of Augmented and Virtual Reality technology in chemistry labs and experiments. These technologies reduce the usage of chemicals and are best alternates for green labs.

The next session was taken by Dr. S. K. Verma, Assistant Professor, GCRC, Bikaner on the topic “Green Chemical Education and Resources”. This lecture gave the details and basics of using various research tools like Jmol, chemsketch, libretext that are helpful in structural elucidation of various compounds and chemical reactions.

DAY 3, (8th February, 2024) At 3rd day two expert personalities shared their research experiences with the audience. One was Dr. Garima Kaushik, Assistant Professor, Central University, Rajasthan. She shared her topic of research “Bioremediation-A green solution”. Her lecture was focused on biological degradation of harmful wastes like pharmaceutical waste, polymer waste by active microorganisms like bacteria. It increase our finding s of waste degradation practices by biological means.

Another expert was Dr. Nivedita Kaul, Associate Professor, MNIT, Jaipur and her topic was “Effect of waste management on well being addressing SDG3”. She told about different methods that should be adopted for segregation, safe disposal and degradation of solid wastes.

DAY 4, (9th February, 2024) On day 4 of the workshop Prof. Archana Saxena, Chemistry Department, SKIT presented her talk on the topic “Sustainable lifestyle changes adopted in present scenario”. She gave some day to day practical examples and also talked about ethics in sustainability.

DAY 5, (10th February, 2024) The day started with the expert talk of Prof. A. B. Gupta, Civil Engineering Department, MNIT, Jaipur on the topic “Reuse of treated sewage for irrigation-issues, challenges and remedies”. He shared the data collected from various sources in his research.

The session was followed by the valedictory session in which the participants expressed their views about the workshop and the outcomes of the workshop were discussed. Participants also gave their feedback about the workshop via google form. At the end certificates were given to all the participants.
