About the Club

Science and Technology club believes in the saying, "Everything is theoretically impossible until it is done."
Science and Technology Club is a one stop destination for all the innovative and creative brains who really want to make a difference.

We provide an engaging platform for the budding engineers where everyone will evolve in a mission to IMAGINE, INVENT and INSPIRE.

The club organises various activities and workshops under experienced trainers. There is no limitation to only technical activities but also we organise intra and inter level competition.

Keeping the utmost coordination with the competitive world, we believe in polishing soft skills, and enhancing competent personality.

Everything seems incomplete if the rewards are not mentioned. So we appreciate and boost the confidence of participants and winners with a token of motivation , exciting rewards and trophies.

We support and welcome new ideas related to discovery and innovation in the vast expanse of science and technology.

Objective of the club:-

- Development of knowledge and skills.
- Ability to become interactive.
- Understanding of various languages.
- Practical and real approach towards problem solving.

Outcomes of the club:-

- Provide an exposure to students through participation in National conferences, seminars and workshops.
- Provide information about research journals.
- Learning through fun activities and innovative projects.

Achievements

JECRC Hackathon (2020-21):

It was conducted by JECRC
.

- **Team Variables** secured 3rd position.
  <u>Team Members:</u> Chinmay Jain, Kanika Singhal, Kanak Singhal
- **Team Terminators** reached the finals.
  <u>Team Members:</u> Hardik Sharma, Prajwal Soni, Sanyam Jain, Pradeep Singh, Ruchika Jain
- **Team The Thinkers** reached the finals.
  <u>Team Members:</u> Tanishq Goyal, Tanisha Mudgal, Ronak Gupta, Alpesh Gupta, Rajesh Pareek.

EQUINOX Hackathon (2020-21):

It was conducted by IIIT Lucknow.

Team Terminators won the "Best First Year Team" title.
        <u>Team Members:</u> Hardik Sharma, Prajwal Soni, Sanyam Jain, Pradeep Singh,Ruchika Jain.

E-Yantra Hackathon (2020-21):

It was conducted by IIT Bombay.

Team Caladrius won the "Best Presentation" title and were shortlisted for internship by E-Yantra.
        <u>Team Members:</u> Chirag Sharma, Akshat Surana, Karan Sharma, Angelina Freda Smith.

NOTICE

C-BOOTCAMP

 "Science & Technology Club" is organizing a bootcamp on C Programming Language from "11 December 2020 to 29 December 2020" in SKIT College, Jaipur.

In this bootcamp students will learn the concepts of C Programming Language and after every class they will be given practice questions for application of the concepts they have learnt.

Certificates will be provided to all the students for their active participation .
