Name of the event: RMC Plant Visit

Date of the event: 19/07/2025

Venue of the event: Bhankrota, Jaipur

Glimpses of the event

- The visit provided us with a practical perspective on how theoretical concepts learned in the classroom are implemented in real-life construction processes
- The visit emphasized the environmental and economic benefits of using RMC, such as reduced material wastage, controlled pollution, and time-efficient construction.
- This visit helped us gain a deeper appreciation for the advancements in construction technology and the role of RMC in modern infrastructure development.
