Name of the event: Expert talk on “mechanical and durability assessment of hardened concrete as per codal provision”

Date of the event: 01/04/2025

Glimpses of the event

“Mechanical and durability assessment of hardened concrete as per codal provision” is an expert talk organised to give a brief understanding of concrete properties and its need. The session aims to give knowledge about the various properties of concrete and its effects on quality and life of concrete. Solutions for arising problems in concrete industry and construction with the help of codal provisions were also discussed.

Instructor- Dr. Sanjay Mundra – General Manager (NCB, HARYANA)
