Glimpse/s of the event

About the event: The Standards Club (SC-820) at SKIT, Jaipur, organized photography event on from 8th to 13th August, 2025. This is an online event. The "Capture the Change" photography event witnessed an overwhelming response from students passionate about environmental sustainability. With 46 remarkable entries submitted, the competition showcased the creative vision and environmental consciousness of our student community.

After careful evaluation by our panel of judges, 19 exceptional photographs were shortlisted, each powerfully capturing different aspects of sustainable living and environmental stewardship. The quality of submissions was truly impressive, with students demonstrating remarkable creativity in interpreting the theme through various perspectives - from renewable energy solutions to conservation efforts and green innovations.

From these outstanding entries, 4 winners were declared, whose photographs brilliantly embodied the spirit of sustainability while displaying exceptional technical skills and artistic vision. The winning entries served as inspiring examples of how photography can be a powerful medium for environmental advocacy.
