

EXPERT TALK BY ER. SANJAY GUPTA

A Technical session was organized by JK Super Cement on "Manufacturing of Cement and Physical Tests done on Cement" on January 30, 2019. Lecture was delivered by Er. Sanjay Gupta (Zonal Head, JK Super Cement) and Er. Arvind Jangid (Rajasthan Head, JK Super Cement). The lecture included the process of manufacturing of cement. All the tests done on cement along with their necessity and permissible limits were also explained in the lecture.
