Glimpse/s of the event

About the event

Session was fantastic and execution sequence of the session is as below:
Sessions started by Dr. Nilam Choudhary with welcome note for the speaker and brief note about the IEEE Computer society student branch chapter. Students and Faculty members of the institution were also present in the session. There were 141 participants present in the session from the different Institutions of India like IIT, NIT, IIIT and other repute institutions. Session was very interactive participants were active and asked many questions via chat box and voice interaction. Speaker (Dr. Arijit Roy) have a great experience of more than 10 years and excellent knowledge about IOT, Sensors and cloud he was confident and very much clear about all the questions. Session end with QA by speaker and in the last Organizer gave vote of thanks to all the participants and speaker. Screen shot photography also done for the report writing and social media coverage for the same.
