**Details of invited speakers Expert Speakers:**

Dr. Prashant Saxena – Cyber Security Expert

Mr. Chetan Yadav – CEO, Ozone Space

Mr. Dheeraj Verma – Ph.D. Research Scholar, MNIT Jaipur

**Details:**

The IEEE Student Branch of Swami Keshvanand Institute of Technology, Management and Gramothan (SKIT), Jaipur organized IEEE E-Summit 2026 under PRAVAH'26 on 17th February 2026 at JC Bose Auditorium from 9:00 AM onwards. The event was open to students from SKIT as well as other colleges, ensuring wide participation and engagement.

The summit aimed to promote awareness about emerging technologies, cybersecurity, innovation, and professional opportunities available through IEEE. The event featured expert talks by distinguished speakers from academia and industry, who shared their knowledge and experiences regarding cybersecurity, technological advancements, research opportunities, and industry exposure.

Mr. Chetan Yadav, CEO of Ozone Space, highlighted innovation and career opportunities in the space technology sector. Dr. Prashant Saxena shared valuable insights into cybersecurity and its importance in protecting critical infrastructure. Mr. Dheeraj Verma guided students on research opportunities and professional growth through IEEE.

The event also included an interactive quiz session based on space technology and cybersecurity, which encouraged active participation. Winners received goodies, and all participants were provided food coupons sponsored by House of Unique. Ozone Space also announced stipend internship opportunities for top participants, providing valuable industry exposure.

The event was highly informative and successful, and participants appreciated the opportunity to interact with experts and gain valuable technical knowledge and career guidance.
