BROCHURE
2022-23

OUR VISION

To promote higher learning in advanced technology and industrial research to make our country a global player.

OUR MISSION

To promote quality education, training and research in the field of engineering by establishing effective interface with industry and to encourage faculty to undertake industry sponsored projects for students.

OUR QUALITY POLICY

We are committed to 'achievement of quality' as an integral part of our institutional policy by continuous self-evaluation and striving to improve ourselves.

Institute would pursue quality in:

All its endeavors like admissions, teaching-learning processes, examinations, extra and co-curricular activities, industry-institute interaction, research & development, continuing education and consultancy.

Functional areas like teaching departments, training and placement cell, library, administrative office, accounts office, hostels, canteen, security services, transport, maintenance section and all other services.

PROGRAMME OUTCOMES

Programme Outcomes (POs) are attributes expected from a graduate of an accredited programme by NBA. These encompass skills like problem analysis, Engineering Knowledge, design or development of solutions, investigation of complex problems, modern tool usage, project management and finance, environment and sustainability, ethics, individual and team work, communication and life-long learning and many more. SKIT, being an NBA accredited institute promotes potent training sessions to strengthen the development of these Programme Outcomes among its engineering students.

PROGRAMME SPECIFIC OUTCOMES (PSOs)

Programme Specific Outcomes (PSOs) - Programme Specific Outcomes are broad statements that describe the career and professional accomplishments that the programme is preparing the engineering graduates to achieve. Each undergraduate engineering programme has its own Programme Specific Outcomes (PSOs)

THE INSTITUTE

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the preaching of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning & Gramothan. The promoters firmly believed in the gospel of educating the rural women folk so that the essence of their learning can be cultivated into their children's lives to improve the scenario in rural areas. In order to fortify the same, they leaped forward to establish MRM Public School in Nirwana village of Sri Ganganagar district of Rajasthan in the year 1992.

Pursuing the vision of the Great Saint Swami Keshavanand, who devoted his life for the cause of education and the uplift of the rural folk, the promoters added "Gramothan" to the name of the institute not only to epitomize his vision but also to extend their efforts to explore the use of engineering education for innovations for improving the scenario for the rural community.

Today, the institute is recognized as one of the centres of academic excellence in the Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Post-Graduate and Graduate Courses in Engineering and Management. Our sister institution Swami Keshvanand Institute of Pharmacy (SKIP) is affiliated to Rajasthan University of Health Sciences for offering Graduate Course in Pharmacy. Located in the Pink City, Jaipur, which is a blend of traditional history and modern outlook, SKIT is surrounded by a rich green landscape and aesthetic elegance of arches. The vibrant pursuit of knowledge by the young aspirants makes the environment serene, pleasant and dynamic. SKIT is putting in efforts for making industry ready engineers and managers through effective Industry -Institute Interface.

ACADEMIC & ADMINISTRATION

- Well qualified & experienced faculty members from IITs/ NITs
- Effective teaching pedagogy
- Outcome Based Education for all Programmes
- Labs designed for learning beyond RTU syllabus
- Research and Development Labs
- Regular workshops and conferences in all departments
- Industry Academia Interface Lab
- Nodal Centre for Virtual Lab in association with IIT Delhi
- Remote Centre of IIT Bombay for conducting workshop for teachers & students
- Digital Library
- Local Chapter of SWAYAM NPTEL
- Member of National Digital Library
- Academic and Management Council
- Ragging & Tobacco Free Campus
- Vigilant Proctorial Board for a highly disciplined academic atmosphere
- Women Grievance Redressal Cell & Other Important Committees
- Fee as approved by State Government
- Invitees from IITs and NITs
- Cisco Webex Training - Online Class Platform
- Centers of Excellence & Research Centers

PROFESSIONAL SKILLS

- Microsoft Platinum Partner
- Infosys Campus Connect Advanced Partner
- IBM Centre of Excellence
- Skill Development Cell
- SRIJAN Incubation & Start-up Cell
- Soft Skills training for students
- Personality Grooming through GD's and Mock Interviews
- Communication labs equipped with SANAKO & SNET Software
- Toastmasters Club
- Topaz - Entrepreneurship Cell
- Special Training Sessions for GATE Examination
- Campus Recruitment Training (CRT) Programme
- Specialized Internship Programmes
- In-house Industrial and Professional Training
- Training Center of BOSCH & GENUS

THE INSTITUTE AT A GLANCE

INFRASTRUCTURE

- State-of-the-art infrastructure
- Lush green campus spread over 13 acres, surrounded by JDA approved residential colonies with serene environment, smart buildings, STP and Rain Water Harvesting Plants
- Separate air-cooled hostel facility for boys & girls
- Indoor & Outdoor sports facilities like Basketball, Football, Tennis (Clay Court, Synthetic Turf), Cricket, Volleyball, Badminton etc.
- Separate gymnasium facility for boys & girls
- Open gymnasium for students / visitors
- Well stocked hygienic cafeterias for healthy & nutritious meals
- A fleet of college buses covering every nook and corner of the city
- Wi-Fi enabled campus with Internet bandwidth of 1 Gbps
- Central computing facility for online exams, training and recruitment drives
- Smartly designed and well equipped seminar halls
- ICT enabled Classrooms
- ICT enabled Digital Studios for online learning & teaching
- Auditorium with digital facilities having a seating capacity of approximately 850 people
- Barrier free environment for disabled person
- Fire Safety Measures Installed
- Water Conservation Practices
- Internal and External Audits for Green, Energy and Environment

OTHER FACILITIES

- Institutional Repository of Video Lectures, Notes & e-books on D-Space
- ERP for Academic Management & Support Services
- 24 hrs ATM of PNB/SBI/Indusind Bank/Bank of Baroda
- Fully Air-conditioned Library open from 8.00 am to 8.00 pm
- Power Backup Facility (520 kVA)
- Prompt Medical Assistance & regular visits by doctors
- Photocopy, stationery, general and book store
- 24 hrs CCTV Surveillance
- Laundry Facility
- Sanitization Panel/ Thermal Scanning for Protection against Covid 19 infection

900 kW (400 KW ROOFTOP & 500 kW CAPTIVE SOLAR POWER PLANTS)

SKIT is the first total green campus in Rajasthan. The solar PV Plant will annually generate nearly 14 lakh units of electricity cutting 1150 tons of CO2 emissions that shall contribute towards saving nearly 34000 trees annually.

MESSAGE FROM THE CHAIRMAN

Surja Ram Meel

SKIT with the motto of “Asato maa Sadgamaya”, which means guide us from the darkness of ignorance to the light of knowledge, has always strived to cultivate young minds and turn them into responsible citizens of society. SKIT has emerged as the only institute in Rajasthan to have earned an A++ Grade in NAAC and has been sustaining the prestigious tag of No. 1 engineering college in Rajasthan by teaching the students not just the fundamentals of technical skills but also the importance of utilizing these concepts in solving real-life problems. We are proud to develop a community which is committed to providing the highest standards of scholarship and values to its students.

The students are also taught about the importance of supplementing academic success with co-scholastic activities and that success goes beyond satisfying material desires. With a talented team of academicians and professionals, a dynamic curriculum and a well-equipped infrastructure, SKIT aims to produce problem-solvers, leaders and innovators of tomorrow. Values like discipline, integrity, commitment to achieving goals and working for the betterment of society are some of the essential tenets of our institution. We have made our mark but we still have miles to go before we achieve the zenith of excellence and until then we will keep on doing our best.

MESSAGE FROM THE DIRECTOR

Jaipal Meel

As the stewards of learning, we, at SKIT, are committed to cultivating a passion for the intellectual realization, critical thinking and creativity in the young minds who join us. SKIT spares no effort in taking initiatives to collaborate with academic institutions around the world and expanding outreach to industry. Our humble aspirations have started showing up results in the form of highest grades and ranks such as A++ Grade by NAAC and first position in the QIV of RTU. The curriculum of undergraduate, postgraduate and PhD programs are constantly upgraded with efforts beyond curriculum to comply with the global trends and market demands. The faculty members are carefully chosen to provide the best possible opportunities for research and learning to the students.

Our institution embraces the importance of preserving the cultural legacy as well as adopting the modern dynamics of technology to convert its pupils into generous personalities, profoundly rooted in the value system of our culture. SKIT has carved its position as a premier institute of technical education across the nation, and our efforts have been acknowledged by both parents and students, this recognition refuels our determination to strive for the better.

MESSAGE FROM
THE DIRECTOR (ACADEMICS)

Dr. S. L. Surana

At SKIT, with an objective to create technocrats and innovators of the highest caliber, we provide students with holistic education and opportunities to use their academic learning and analytical skills for the betterment of the world around them. The faculty members of the institution are lifelong learners who do their best to inculcate the same value of inquisitiveness in the students as well. Development of practical skills and creative thinking is encouraged, and the stakeholders are involved in many endeavours at the college like the Incubation Cell, Training and Placement Cell and Skills Development Cell to ensure the same. With the world warranting changes on a day-to-day basis and the necessity of innovation in every field, I am sure the students of SKIT will make the best use of the opportunities provided to them and meet the demands of the industry and stand true to the trust placed in them. At the beginning of this new academic session, we aspire to keep the same spark alive and reach greater and farther horizons of success. We are delighted and humbled at receiving an A++ Grade by NAAC with a magnificent CGPA of 3.67 out of 4.00. This feat has strengthened our vision and mission to promote excellence in technical learning.

MESSAGE FROM
THE REGISTRAR

Rachna Meel

SKIT is a name which has become synonymous with ensured success. The track record of exemplary results that our students produce every year will bear testimony to the assertion made. We are proud to share that SKIT has become one of the few colleges across the nation that are accredited with an A++ grade by NAAC. This is another piece of evidence that the institution has worked hard and created a niche for itself in a span of more than two decades. We have always believed in identifying and nurturing the talents and skills of each individual student and facilitating them to achieve the best of their capabilities. As an institution of higher education, we recognise the importance of our role in the accessibility of quality education. To achieve this goal, we have made constant efforts in developing a dynamic curriculum involving aspects of community outreach, skill development and entrepreneurship. Our pedagogy is value-based imbining social and national commitments in the students along with a strong focus on the principle of more hands-on experience with clear fundamentals offering more choices to the students. With the tremendous hard work, constant support and encouragement of all the stakeholders of our institution, our aim is to keep on striving to blaze a trail of glory and leave a rich legacy of innovation in its wake.

MESSAGE FROM
THE PRINCIPAL

Dr. Ramesh Kumar Pachar

Education is an illuminating guide which dispels the darkness of ignorance and prejudices. Education in the truest sense enables a person to widen the horizon of his mind and achieve the goal of contributing something significant to the community. We can proudly proclaim that at SKIT, we have built a community which is dedicated to fostering the young minds and providing them with optimal conditions in which they can thrive. Our outcome-based teaching ensures that each student is getting the help that they need in the areas that are difficult for them. We focus on evaluating the skills, strengths and weaknesses of each student personally and engendering the values that have always guided the institute in the students too. With accreditations from NBA and NAAC, our institution has proven that the promise of harmonizing academics, research and the skills like communication and presentation, leadership, innovation, and professional creativity, has been well-kept. At SKIT, we lay a strong emphasis on supplementing academic success with the cultivation of values like discipline, integrity of thoughts and actions, commitment towards achievement of goals and accountability of success and failures in the students. We believe that education can be the greatest engine of personal development and we keep on striving towards our aim of fostering the comprehensive development of our pupils. We believe in strengthening the foundations and thus making them capable of growing independently.

ADMISSION

B.TECH. 1st YEAR PROGRAMME

Eligibility Criteria: Passed class 10+2 examination with minimum 45% marks (40% marks for reserved category) in the subjects mentioned below:

Civil & Mechanical Engineering Branch	Physics, Chemistry and Mathematics
Computer Science & Engineering, Electrical Engineering and Electronics & Communication Engineering Branch	Physics, Mathematics (Mandatory Subjects) and any one subject from Chemistry/ Computer Science/ Electronics/Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational Subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship

OR

Passed Diploma (3 years) with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

Admission Process: The centralized online counseling (other than PMSSS & Management seats) for admission in 1st year of the following B.Tech. courses is conducted by the Coordinator, REAP-2022 (Rajasthan Engineering Admission Process).

Branch	Approved Intake	70% seats of sanctioned intake for Out of Rajasthan State candidates	15% seats of sanctioned intake for Out of Rajasthan State candidates	15% seats of total intake for all Indian States candidates under Management Quota

Last year JEE (Main) 2021 rank/percentile was given higher priority in comparison to class-12 marks/percentile. The same priority is expected to be considered by REAP for current session 2022-23. The seat distribution is as follows:

70% Seats of Sanctioned Intake	15% Seats of Sanctioned Intake	15% Seats of sanctioned Intake (Management Quota)
For candidates belonging to Rajasthan State	For candidates belonging to out of Rajasthan State	For all Indian candidates

All the eligible candidates may visit the institute for admission under management quota.

Tuition Fee Waiver Scheme (TFWS): Additional 5% supernumerary seats are reserved for candidates whose family income is less than Rs. 8 lacs per annum from all sources. These seats are allotted to such candidates on the basis of merit by REAP-2022. For allotment of TFWS seat, candidate must submit an income certificate of the parents at the time of reporting.

Kashmiri Migrants (KM): Additional 5% supernumerary seats are reserved for candidates belonging to Kashmiri Pandits/ Kashmiri Hindu families (non-migrants) and for Kashmiri migrants. These seats are allotted to such candidates by REAP-2022. In case of allotment in KM seat, candidate must submit a migrant certificate from the competent authority at the time of reporting.

Prime Minister Special Scholarship Scheme (PMSSS): Additional 20 supernumerary seats are reserved for candidates belonging to union territories of J&K and Ladakh. Candidates must have passed 10+2 examination from J&K Board or CBSE School located in UTs of Jammu & Kashmir and Ladakh. The centralized admission process is carried out by AICTE. For admission, visit the PMSSS portal-<https://www.aicte-jk-scholarship-gov.in/>.

Admission Nodal Agency: Centre for Electronic Governance (CEG), Jhalana Doongari, Jaipur (Rajasthan)-302004

B.TECH. 2nd YEAR (LATERAL ENTRY) PROGRAMME

Eligibility Criteria: Passed three years/ two years (lateral entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in any branch of Engineering and Technology from AICTE approved Institution/ UGC approved University

OR

Passed B.Sc. degree from a UGC recognized university with at least 45% marks (40% marks in case of candidates belonging to reserved category) & passed 10+2 examination with Mathematics as a subject.

OR

Passed D.Voc. stream in the same or allied sector

Admission Process: The centralized online counseling for admission in 2nd year of the following B.Tech. courses is conducted by the Coordinator, LEEP (Lateral Entry in Engineering Program).

- Civil Engineering
- Computer Science and Engineering
- Computer Science and Engineering (Artificial Intelligence)
- Computer Science and Engineering (Data Science)
- Electronics and Communication Engineering
- Electrical Engineering
- Information Technology
- Mechanical Engineering

Kashmiri Migrants (KM): Additional 5% supernumerary seats are reserved for candidates belonging to Kashmiri Pandits/ Kashmiri Hindu families (non-migrants) and for Kashmiri migrants.

Prime Minister Special Scholarship Scheme (PMSSS): Additional 20 supernumerary seats are reserved for candidates belonging to union territories of J&K and Ladakh. Candidates must have passed Diploma in Engineering & Technology examination from J&K Board. The centralized admission process is carried out by AICTE. For admission, visit the PMSSS portal-<https://www.aicte-jk-scholarship-gov.in/>.

Offline: Candidates can deposit their fees as Demand Draft in favour of "SKIT Jaipur" at Institute premises.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

DEPARTMENT OF INFORMATION TECHNOLOGY

The department is introducing a new UG Course in Internet of Things (IOT) Stream from the academic year 2022-23

Internet of Things (IOT) has been recognized as "CENTRE OF EXCELLENCE" by RTU Kota.

The Department is dedicated towards providing its students with a motivating environment and facilitating their academic requirements with committed and expert supervision of faculty and experts from various fields from time to time. The department offers B.Tech (CSE), B.Tech (IT), B.Tech CSE(DS)& B.Tech CSE (AI), M.Tech (CSE) and PhD(CSE).

The B.Tech degree programme has been accredited by National Board of Accreditation in both CSE and IT Streams. Organises Spoken Tutorial Certification by IIT Bombay has Virtual Lab setup by IIT Delhi. NPTEL-An online learning initiative by IITs and IISc. Department has subscription of Microsoft Edu-Cloud which provide cloud infrastructure research and development for students & faculty members.

SALIENT FEATURES

- Department organizes International Conference, workshops, seminars & short term training programmes for its students.
- Empowered with IBM Software Center of Excellence
- Microsoft Edu-Cloud Enabled Campus
- Infosys Advance Partner Institute
- Oracle Academy Partner
- RTU recognized Center of Excellence for Internet of Things
- FOSS IIT Bombay Knowledge Partner

- Internet facility is provided in the laboratories through a lease line based on Radio Frequency (RF)/ Fiber Optic Cable (FOC).
- Apart from active participation in various extracurricular activities, the students also work on live projects from industry and various professional bodies like DST, IE and AICTE etc.
- IEEE Student Chapter
- Classrooms are equipped with projectors with audio video systems.
- Departmental Library facility is provided.

PROMINENT LABS

- Center of Excellence for IOT(IOT-COE)
- Microsoft Edu-Cloud Enable Lab
- Industry Academia Interface Lab for hands-on experience on emerging technologies by Subject Matter Experts (SMEs) from industry.
- High Performance Computing data center to support intranet and internet services.
- IBM Software Center of Excellence Lab.
- Data Analytics Lab-Apache Spark and hadoop.
- Machine learning- Spark ML.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

The department aims at educating and training students with sound knowledge and awareness in recent developments in electronics and communication technologies. Since its inception, the department broadly emphasizes on high quality education and on design aspects of electronic systems. It has well equipped laboratories that complement the high standards of the institute. Courses beyond syllabus are taught to inculcate several abilities in the budding students and to nurture the students towards research, development and higher learning. Experts from the industry are periodically invited to give lectures/demonstrations to the students on the latest developments in the field. Students are given exposure to industries by industrial visits and industrial training session.

SALIENT FEATURES

- The B. Tech. program of the department has been thrice accredited by NBA.
- The department has all the equipment required for coursework of B. Tech, M. Tech and Ph. D programmes. These can cater for desired research work. This includes 14 GHz Field Fox microwave analyzer (VNA) (N9916A), 1 GHz spectrum analyzers, signal synthesizer, signal generators, 200 MHz digital storage CROs, optical fiber communication equipment, CDMA-DSS trainer kit, Doppler Radar, Advanced MIC trainer, CMS320C6713 DSP Platform with Code composer Studio, Power sensor, digital communication trainer's kit, spin coating unit & experimental boards for DSPs, CPLDs, FPGAs & embedded microcontroller trainer kit with interfacing etc.
- It has a mix of analog and digital equipment for hardware design, microprocessor and microcontroller programming tools, independent computing facilities to perform simulation based design using HFSS, Xilinx Vivado, LabVIEW, OrCAD/Pspice, Mentor DSP and MATLAB softwares etc. of which complete support and related services are available.
- The department has well qualified and experienced faculty in sufficient number to teach and guide the students (as per the requirement of National Board of Accreditation). The students are divided into batches of about 30 in number. A faculty member is

assigned to every batch to mentor and monitor the students.

- The Department is having sufficient classrooms (Digi-smart classes also) and sophisticated laboratories, equipped with audio-visual aids. The department is equipped with uninterrupted power supply and internet connectivity. The department also has a well stocked library of its own.
- For proper coordination among the faculty, staff and the students, a healthy environment has been created in the department. Co-curricular and extra-curricular activities are given due attention and opportunity. The department has student chapters of several international and national professional institutions like IEEE-MTTs, OSA, IETE, IE(I) and ISTE. Students enjoy learning and experimenting in "Embedded Club" of the department.

The department is a dynamic and growing community of scholars with an emphasis on research oriented teaching and is active in most of the dimensions of electrical engineering. Apart from academics, R&D, consultancy, continuing education programmes and administrative

library. Here the faculty has an access to text and reference books from well known publishers, journals, magazines, lab manuals, lecture notes, project notes, seminar/training reports, alumni contacts, university question paper, syllabus etc.

- Students find their role in coordinating, participating and

responsibilities, the faculty participates in many interdisciplinary activities for perpetual enhancement of teaching skills. The department faculty regularly contributes to conferences and journals at The National and International levels for the sake of upgrading knowledge in the respective fields. The graduates of the department venture out for a wide range of organizations including reputed MNC's (Adani Power, TATA Power, Genus Power Infrastructures Ltd. ,Indus Tower , Pinnacle, KPTL, Cognizant, TCS, Infosys Ltd. C&G etc.), PSU's (PGCIL, BHEL, BARC etc.), Armed Forces and Indian Engineering Services (IES). The students are also successfully seeking admissions in reputed universities all around the world for further studies and global exposure. The B.Tech degree programme has been accredited 4 times in succession by NBA since 2009.

SALIENT FEATURES

- Department started PhD Programme (Electrical Engineering Research Centre, approved by RTU Kota) during session 2014-2015.
- Other than routine teaching of university curriculum, the department strives for continuous improvement by conducting project and design contests as well as preparatory test series to enhance analytical and soft skills of its students and to strengthen their chances to achieve their goals.
- Conferences, industry visits, workshops and training on modern research areas, expert lectures by faculty from industries & reputed institutes are held at regular intervals.
- The cut-sections of various machine and transparent models of instruments have been procured to give the students a practical insight into their working.
- A generalized Electrical Engineering Lab is established in the department with measuring and monitoring devices, various electrical and electronics components used in industries which enables students to work and learn practical applications of Electrical Engineering.
- In addition to the Central Library, the department has its own

managing various curricular & extracurricular activities. There are ample opportunities for them to attain good managerial skills. A number of student projects received grants from Department of science & technology, Rajasthan and I.E (I).

PROMINENT LABS

Laboratories are extensively modernized to broaden the scope of basic learning and setups are so developed that students can realize cases of their interest and also implement experiments which are beyond curriculum but proindustrial.

- Advance and comprehensive computer labs incorporated with PSCAD (funded under MODROBS scheme of AICTE), MATLAB, PSpice and Power world simulator type of advance designing softwares.
- Electrical Machine Laboratory I & II
- Power Electronics Laboratory
- Power System Laboratory
- Electrical Measurement Laboratory
- Basic Electrical Engineering Laboratory

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering started its academic activities in the year 2003 with an objective of incorporating excellence in teaching-learning, research and development, entrepreneurship and industry outreach activities. Presently, the department offers B. Tech. (Mechanical Engineering), M. Tech. (Renewable Energy Technology) and PhD programmes. The department has modern laboratories developed and designed from the perspective of the latest requirements of industry and academia. The B.Tech programme was accredited in 2009 and subsequently re-accredited by NBA with current accreditation status till June 2025.

SALIENT FEATURES

- The department has active student section of American Society for Mechanical Engineers (ASME), Society for Automotive Engineers India (SAE-INDIA) and Renewable Energy Club and Robotics club for the all-round development of students, faculty and staff.
- Looking to the cutting-edge technology in robotics and automation domain, an e-Yantra Embedded Systems and Robotics Laboratory was established in collaboration with IIT Bombay and MHRD under the National Mission on Education through ICT program of Government of India.
- As a special mention, an MOU for Industry-Academia Collaboration for Skill Development with Bosch Limited has been established. A Virtual Lab Nodal Centre has also been established by IIT Delhi (An initiative of MHRD under the National Mission on Education through ICT).
- The thermal engineering and renewable energy laboratories of department have a wide range of equipment such as variable compression ratio computerised engines, multistage axial flow compressor, EGR system, five gas analyser, smoke-meter, sunshine recorder, lux-meter, pyranometer etc. to cater the advanced research needs in biofuels and sustainable energy.
- Under the production engineering and material testing facilities, the department has wide variety of machine tools including centre lathe, capstan lathe, milling, shaper, radial drilling machine, tool and cutter grinder, TIG and MIG welding set-ups, melting furnaces etc. along with CNC ultrasonic machine, computerised UTM and computerised Vickers Hardness tester.
- In addition, the department has state-of-the art Computer Aided Manufacturing (CAM) Laboratory having 3-D Printer, CNC Lathe Trainer, CNC Mill trainer, 5-Axis Robotic Arm and MasterCAM software to cater the research needs.
- The computer labs of the department have all modern software such as Creo 2.0, AutoCAD, MATHCAD, ANSYS

Integrated Environmental Solution Software with 75 work stations along with MasterCAM and Cutviewer Turn CNC and Cutviewer Mill CNC simulation software.

- Special attention is being paid for developing positive attitude, leadership, group working & safety consciousness among the students especially during laboratories and workshops.

DEPARTMENT OF CIVIL ENGINEERING

Due to extraordinary growth in the infrastructure development in India and abroad, demand of skilled civil engineers is growing with high pace. To meet the growing demand of construction industries, our institute started B. Tech. course in civil engineering from the academic session 2011-12. All laboratories of the department are having latest technological instruments as per requirement of curriculum and for research purpose. Civil Engineering Department also provides consultancy services on various technical issues to the society and government departments. The department is supported by a team of faculty members having excellent research credentials as well as extensive industrial experience.

SALIENT FEATURES

- RTU recognized "Centre of Excellence" in research field of "Transportation Engineering".
- Department is empaneled as Mentor Institute for "Shyama Prasad Mukherji Rurban Mission" by the Ministry of Rural Development, Govt. of India.
- Department is institutional member of ICI (Indian Concrete Institute) and IGBC (Indian Green Building Council). Department is also running Student Chapter of ICI and IGBC. The Student Chapter of ICI was awarded with "Best Student Chapter" award

- Department is running "SKIT Test House & Research Centre" which provides commercial testing facility of building and road materials.
- Signed Memorandum of Understanding (MoU) with Muskaan NGO to work collaboratively in the field of "Road Safety Engineering".
- Computer Lab of the Department is having latest version of Civil Engineering. All are student version we are not having any purchased softwares in the lab
- Civil Engineering Students are facilitated by enrolling them for NPTEL online courses and Spoken Tutorial run by IIT's.
- Department is also having NIRMAAN CLUB, FINE ART AND CRAFT CLUB for overall development of students.
- Department organizes Conference, Industrial Visits, Survey Camps, Student Workshops and Expert Lectures from renowned personalities of academia and industry at regular intervals.
- Department is having well equipped smart classrooms with Internet connectivity. There is 24hrs electricity backup for uninterrupted studies of students.
- Department offers M-Tech course in Transportation Engineering.
- In addition to Central Library, Department is having its own library where faculty have access to reference books from well-known publishers, magazines, lab manuals etc.
- Video lectures of RTU curriculum recorded by faculty members can be accessed on ERP portal.

Transportation Research
has been recognized as
"Centre of Excellence"
by RTU Kota.

by Ultratech Cement and Indian Concrete Institute - Rajasthan State Centre for the year 2019.

- Department is authorized by "Department of Panchayati Raj, Govt. of Rajasthan" for providing consultancy services to engineering departments.
- Department offers In-house summer internship program. In this program software training and on-site training is provided to students to make them ready for the industry.

PROMINENT LABS

- Concrete Lab
- Road Material Testing Lab
- Geotechnical Engineering Lab
- Surveying Lab
- Engineering Geology Lab

DEPARTMENT OF BASIC SCIENCES & HUMANITIES

The Department of Sciences and Humanities deals with subjects like Physics, Chemistry, Mathematics and English. Most of the faculty members in the department hold Ph.D. and are contributing substantially to leading National and International Journals, Conferences and Symposia.

The Department has hosted several of these Conferences and Symposia in the past.

SALIENT FEATURES

- The Department is adequately equipped to undertake standard projects from various organizations, like AICTE, DST, UGC and conducts National and International seminars/ symposia.
- The Department engages regular tutorials to give the student better & comprehensive understanding of the subjects.
- Students are engaged in some innovative experiments and projects other than those prescribed in the syllabus.
- Physics Lab is equipped sufficiently with many modern instruments, which are well maintained & updated regularly.

- Chemistry lab is associated with a research lab where water analysis and corrosion studies are carried out.
- Language Lab: This digital multimedia language lab operates through SANAKO and SNET Digital multimedia Language Lab Softwares. This lab is equipped with language learning software courses from Clarity, Cambridge University Press, Oxford University Press & other software courses to prepare for IELTS, TOEFL, BEC etc.

Through this computer assisted mode of language learning, the students get the feel of the native speaker pronunciation and can get exposure to numerous exercises on grammar, vocabulary and pronunciation for practice.

DEPARTMENT OF MANAGEMENT STUDIES

SKIT in its endeavor to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in Techno Managerial Environment, the institute established Department of Management Studies in the academic year 2006-07.

Department of Management Studies aims at developing future managers equipped with curricular and co-curricular skills, which will help them to make a mark in the industry. To achieve its vision, the Department uses a blend of well qualified and experienced core faculty and renowned faculty members from other institutes.

To enhance the horizon of Knowledge, various Seminars, Workshops, and Entrepreneurial activities are organized regularly. Keeping in view, the fast growth of Indian economy, the Department of Management Studies focuses on not only imparting managerial knowledge but also the right skills and attitude through unique and indigenous initiatives.

The Department of Management Studies has successfully crossed several milestones, resulting in creation of a distinctive identity for itself. The Department ensures that students stepping out into the corporate world are better and responsible managers and effective leaders. A combination of industry professionals, eminent speakers and learned faculty aids the holistic development of students.

SALIENT FEATURES

- The Department is an active member of AIMA.
- Emphasis on participation in various activities on campus and off campus.
- Cost Effective Quality Management Education
- Highly Qualified Faculty Team
- Well Equipped Infrastructure
- Teaching Beyond Curriculum
- Case Study Teaching Methodology

- Enriched Library
- Target Oriented Summer Training
- Focused Placement Efforts
- Effective in-built Training programmes
- Seminars/ conferences/ workshop/ panel discussions on regular basis
- Various sponsored programme by SIDBI, DGFT, RSPC, IIL, DST etc.
- Certificate Courses from SWAYAM Channel & Coursera.

Focus on Individual Development Programme through Purposeful Regular Obtainable Measurable Individually focused Success-oriented Engagement (PROMISE).

**HIGHEST PLACEMENT
THIS YEAR HAS BEEN OF
12.6 LACS PER ANNUM.**

**FOCUS ON VARIOUS DEVELOPMENTAL AND
SKILL ENHANCEMENTS ACTIVITIES.**

SKIT is running distinctly practical and focused teaching methodologies according to the industry needs evolved through constant interaction with prominent professionals constituting the Industry and Academic Advisory Boards of the institute. In addition to conveying theoretical knowledge, the curriculum emphasizes on the development of analytical proficiency, communication, problem solving skills and team work aptitude. Industry Institute Partnership Cell (IIPC): The Cell has been established in the institute as a focal point for better interaction between the academia and industry. The objective of the cell is to establish a platform for enhancing relationship between the institute and industries, thereby increasing the opportunities for the students for internships, live projects and to acquaint the students beforehand with the demands of the corporate atmosphere.

1. INFOSYS CAMPUS CONNECT

Infosys is our advanced partner in our industry initiatives, and since last 15 years we are working with Infosys toward producing industry ready engineers. SKIT has set the benchmark in Foundation program rollout, which is recognized by Infosys. Campus Connect is an industry-academia partnership initiative launched by Infosys Technology Limited. The campus connects initiative aims to enhance the education level of engineering student, national wide and thus increase the Employability of this Engineer. As a part of this initiative Infosys share with Partner Colleges its proven courseware, methodology and education experiences, Campus Connect thus helps partner colleges groom Industry Ready engineer.

2. IBM ACADEMIC INITIATIVE

IBM India Ltd is our regular industry partner and since last 15 years they are assisting us to enable our students and faculties, towards industry readiness, and has established IBM Software Centre of Excellence (CoE). To support above research areas, our High Performance Computing Lab is equipped with IBM high-end blade servers, and Hardware/Software with IBM bench marking and testing support. This is a great initiation by IBM people to bring down the gap between education institute and industry. IBM software center of excellence gives not only the practical hand to the students but also the opportunity to become a professionally certified.

3. MICROSOFT ED-VANTAGE

Microsoft Ed-Vantage, launched in October 2012 in India aims to consolidate and enhance the benefits to both academic institutions and students who are leveraging well-established Microsoft programs like Campus Agreements, IT Academy, DreamSpark, Imagine Cup, Microsoft Innovation Centers, etc., that provide the right software tools to infuse the academic ecosystem with expertise, skills, opportunities and infrastructure. This program's

primary focus is to make students more employable and equip them with skills relevant to industry needs. It is designed to help eligible academic campuses and their students connect with various organizations in Indian industry, thereby creating a platform for the students to explore internship and employment opportunities. SKIT, Jaipur a pioneer in industry embedded education is Microsoft's Ed-Vantage PLATINUM Campus in the state of Rajasthan. SKIT has passed stringent qualifying criteria to achieve this prestigious landmark. Building on their illustrious track record in helping students to connect to future challenges, SKIT has taken their ability to deliver industry ready human resources to the next level, by partnering with Microsoft as an Ed-Vantage PLATINUM campus. Under the Ed-Vantage collaborative model, Microsoft endeavors to provide the right platform to enable institutes across India to rise to their true potential by bringing in more technology innovation and capacity building for faculty and students; and making the students more employable.

4. SWAYAM-NPTEL

SKIT proudly associates with the well known initiative of AICTE and MHRD, India through its status of a local Chapter for SWAYAM and NPTEL courses. Within a short span, the institute has been awarded AA ranking among all institutes associated with the prestigious initiative of AICTE. The institute has successfully grabbed multiple gold medals and all India top positions in its first attempts.

5. FOSS

Free and open source software (FOSS) gives developers the opportunity to improve program functionality by modifying it. We have been providing FOSS such as Linux-based operating systems in our institutions for free and creating awareness on its benefits. The availability of this data can encourage collaborative efforts and innovations in teaching.

OUR MAJOR RECRUITERS

Globalization and technological transformation has a big impact on economy of the country and needs to be kept in view since engineers and managers happen to be the engines of the economy of any nation. SKIT has been continuously putting efforts to understand the needs of the industry in order to prepare engineers and managers for facing the emerging challenges. Cooperation of the industry sought in this regard has proved very helpful and students are getting placed in reputed companies in good numbers. About 814 students of 2022 batch have been placed in companies like Cognizant, Infosys, Capgemini, TCS, Adani Power and many more. The maximum package last year has been 35 LPA.

INITIATIVES

(of the students, by the students, for the students)

The college in its endeavour to promote Extracurricular Activities has got some professional memberships of organizations of repute and runs various clubs in compliance with the norms. The institute has a specially designed a two hour slot in a week for these clubs. There are numerous extra- curricular activities being conducted every week to provide a constructive exposure to our students. There are 21 clubs and the main clubs and professional memberships for these activities are:

TOPAZ

SKIT Entrepreneurship club TOPAZ was launched with an aim of fostering the entrepreneurial behavior among the students so that they can be job creators instead of being job seekers. SKIT entrepreneurship cell TOPAZ in association with National Entrepreneurship Network (NEN) organizes a number of workshops, entrepreneur's talk, video lecture series, industrial survey startup internship events and idea generation activities. SKIT entrepreneurship cell TOPAZ is connected with the E cell of more than 600 colleges all across India. TOPAZ won the National Champions Trophy in 2014, 2015 & 2016 by standing first in the entire north region.

INTELLECTUAL PROPERTY RIGHT (IPR) CELL

Intellectual property (IP) encompasses the expression of ideas, information, and knowledge. IP includes not only discoveries and inventions but also music, literature, and other artistic works, as well as words, phrases, symbols, and designs. An IPR cell is thus established to spread awareness of IPR, patents and related issues among students and faculty members. The IPR cell organizes awareness activities such as quizzes, guest lectures, workshops and faculty development programs.

PRAVAH

PRAVAH, the annual Techno- Cultural and Sports festival, is organized since the inception of the institute and signifies the flow of ideas and rebirth of conscience. It has earned the best memories of academic & non-academic excellence of the institute throughout these wonderful and glorious 15 years. Creativity is not a remote or an alien terrain to any human being. It is very much part & parcel of our intuitive faculty. PRAVAH accelerates this creativity of young minds by bringing up their talent and prolificacy with the influence of experienced & intellectual mentors.

SRIJAN-INCUBATION CELL

With a vision to foster a culture of innovation, problem solving and research for the betterment of the society and the nation, Incubation cell was established in the year 2016. It encourages students to develop innovative projects/products to become job givers instead of job seekers through facilitation in opening start-ups.

THE SKIT RESEARCH JOURNAL

Innovations and research activities are essential for the growth of mankind. Universities and Institutes are the incubators where faculty members motivate, guide and nurture the students to carry out purposeful research. The reputation of any institute in the academic world is judged by the level of research carried out. Our country has enormous problems which need attention by our young minds. They should be made aware of these problems and should develop inquisitiveness. For this noble mission SKIT publishes its own research journal with an ISSN number 2278-2508 & addresses the challenges faced by society at large.

NPTEL AND SWAYAM COURSES

The institute is an active member of NPTEL and Swayam courses with AA ranking. The students and faculty members are encouraged to learn through various courses run by IITs and other prestigious universities.

REGISTERED ALUMNI ASSOCIATION

The institute has a registered Alumni society since July 2004 (<https://alumni.skit.ac.in>) to promote & encourage a continuing interest in and loyalty to the institute.

ICT-e SLATE

Institute has developed three studios "ICT-eSLATE: Smart Learning and Teaching Environment" furnished with the latest ICT enabled tools to generate quality e-content.

GREEN AND ECO-FRIENDLY CAMPUS

The primary objective of initiating the concept of green campus is to lay great emphasis on various practices related to environment and sustainability. This mainly consists of harnessing sustainable energy, water conservation and maintaining greenery. Rainwater harvesting and underground storage system, used water recycling system and renewable energy solar PV system of 900 kW (400 kW roof top and 500 kW ground top) capacity have already been installed which

SOFT SKILLS

Realizing the mission to move beyond the peripheries of the prescribed curriculum and the vision to strengthen the potential capacities of our students, SKIT runs a significant SOFT SKILLS Programme. The programme has an objective to enhance the basic grooming comprising personality fundamentals and spoken skills. It is subtly layered with the tenets of team building, leadership skills, inter and intra personality dynamics, attitude building, mannerisms and etiquette enhancement and many more. The programme is centered on meeting the expected standards of professional competence. This is the first step in the row of efforts to groom the soft skills of our students and make them industry-ready individuals.

THE SKIT TIMES

The creative spark in the young minds finds a befitting expression in the form of words through the SKIT Times. This magazine is a collaborative effort of our students and faculty members. The magazine is mailed to 500 corporate bodies spread across the country, which makes the efforts of our students more visible in the corporate world.

UNIVERSAL HUMAN VALUES & ETHICS COMMITTEE (UHVEC)

For a happy and successful life it is important to know, explore, verify and practice universal human values and professional ethics.

OBJECTIVE OF UHV & E COMMITTEE

Nurturing students to live with mutual happiness with human beings and mutual prosperity with rest of Nature along with the development of technical and managerial competence. The cell organises/ conducts different events addressing Human Values and Ethics, constitutional obligations; rights, duties and responsibilities of citizens, Code of conduct of institute and society at large. All the days of national and international importance are celebrated. A self-reflective methodology of teaching facilitates understanding through self-exploration. It opens the space for the student to explore his/her role (value) in all aspects of living – as an individual, as a member of a family, as a part of the society and as an unit in nature. Through this process of self-exploration, students are able to discover the values intrinsic in them.

SOCIAL RESPONSIBILITY

Blood Donation Camp: the institute organize blood donation camp every year where many students, faculty and staff donate their blood voluntarily. The institute keep record of prospective blood donors who can contacted immediately if a request for blood is received from any hospital.

Village Adoption: The institute has adopted a village near Sanganer, Jaipur. This village is called Dantali. With reference to the adopted village, Dantali, the institute aspires to bring constructive changes in the life of the villagers about educational and social issues. It also instils a feeling of service to society among the students studying in the institute. The programme is executed under the aegis of SKIT NSS Unit.

Several other social activities such as village upliftment (Gramothan), CLEANIndia, Swachh Bharat Pakhwada, Nukkad Natak, Education to under-privileged children etc. are also undertaken by N.S.S. wing of the Institute.

VALUE ADDITION

The institute have implemented a value-added feature, i.e, ERP for students, parents and staff members. This facility provides an access to student's attendance and performance which the parents also can access online. The student lifecycle module digitizes the process of admission, time-table, attendance, exam & grading.

EXTRACURRICULAR @ SKIT

To give students an opportunity to showcase and hone their talents, various club activities are conducted throughout the year in our institute. Club activities not only help students shape their personal interests and hobbies but also improve their leadership quality, and managerial, and social skills. For that, we offer various clubs and students can choose the club depending on his/her interest.

CLUB OF KNOWLEDGE

The objective of the club is to develop the attitude towards a happy and successful life, know our culture, human values, and social knowledge for overall development.

CIVIL ENGINEERING TECHNICAL FORUM

The objective of the club is to develop an innovative approach for solutions to civil engineering challenges.

DANCE CLUB

The objective of the club is to introduce various forms of dance, develop multifaceted physicality through training in dance techniques, and provide an opportunity to better the dancer in students through constant engagement and also through workshops conducted by the club.

DOCU DRAMA CLUB

Drama for ages has been a quintessential expression of real-life experiences. The club aspires to hone this expression through well-rehearsed performances of classic and contemporary plays.

EK BHARAT SHRESHTHA BHARAT CLUB

The objective of the club is to showcase the rich heritage and culture, customs, and traditions of paired states (Rajasthan and Assam) for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity.

ECO FRIENDS CLUB

To encourage students for playing a pivotal role in the metamorphosis of the earth from a moribund planet to a greener one.

EMBEDDED CLUB

The club helps the students by integrating their skills in the various fields of Engineering & technology, to cope up with the highly competitive environment. This club motivates the students to pursue research in the field of Embedded Design & to get funded projects in Embedded domains.

FINE ARTS & CRAFTS CLUB

The club focuses on helping the students to grow and learn new techniques which enhance their skills to express more through their artwork. We promote and nurture creativity and constantly support the artists to strive for the betterment of their skills.

MATHS N RATES CLUB

The objective of the club is to develop the speaking and writing skills of the students through various activities and competitions for the students.

LITERARY CLUB

The club gives opportunities to the participants to showcase their mathematical skills through various activities.

SCIENCE & TECHNOLOGY CLUB

The club provides an engaging platform for the budding engineers where everyone will evolve in a mission to IMAGINE, INVENT and INSPIRE.

NIRMAAN CLUB

The objective of the NIRMAAN Club is to improve the experience of students in the field of civil engineering and represent themselves to the level of new emerging trends in Civil Engineering along with the arising problems like water crisis, earthquakes, traffic congestion etc.

ROBOTICS CLUB

The club supports and fosters interest in various aspects related to robotics, in particular, mechanical design through workshops and projects.

MUSIC CLUB

The objectives of the club are to help students retain and enhance their own, individual love of music and singing and to create unique, challenging and diverse live performances.

NSS CLUB

The club strives to bring improvements in the field of social welfare. This club mainly serves the villages. The club organizes various activities for the poor uneducated people.

RENEWABLE ENERGY CLUB

The Club is helping the students to make them aware of various renewable energy resources and techniques with the help of a number of programs and quizzes – like celebrating Akshay Urza Diwas annually, Paper presentations, Poster making competitions, debates, etc.

ROBOTICS PROCESS AUTOMATION CLUB

To make participants learn about Robotic Process Automation (RPA) which is a software technology that makes it easy to build, deploy, and manage software robots that emulate human actions interacting with digital systems and software.

SKIT READER'S CLUB

It is a platform that provides people with an opportunity to feature themselves as a speaker on the novels of their own interest, to promote reading on a greater level, and make books interesting to talk about.

SKIT GRAMOTHAN CLUB

The Club is dedicated to the improvement of the less privileged, focusing on women and children, through developing mechanisms aiming at service delivery and capacity building. This club aims to create an environment that safeguards the life, dreams, and aspirations of individuals going through the unfavorable chain of circumstances, to ignite a spark for better change.

SPIC MACAY CLUB

The objectives of the club are to develop an analytical, creative, and intuitive understanding of music as a cultural language, afford students opportunities for cultural and aesthetic experiences through active participation in music, enhance their understanding and appreciation of the arts, and foster interaction between music and the liberal arts.

TECN-INNOVA CLUB

The objectives of the club are to build a problem-solving approach through programming and make students familiar with how to deal with competitive programming.

TOASTMASTERS CLUB

Toastmasters International is a non-profit educational organization that teaches public speaking and leadership skills through a worldwide network of clubs. KIT Toastmasters club is a chartered member of Toastmasters international since 2007. The club has received various awards for club as well as individual participation. The club allows participants to leverage over 300 practical workplace skills, including Interview Preparation, Online Meeting Management, Leadership Development, Project Management, Conflict Resolution, and many more.

YOGA & MEDITATION CLUB

To promote yogic practices which enhance muscular strength and body flexibility, improve respiratory and cardiovascular function, promote recovery from & treatment of addiction, reduce stress, anxiety, depression, and chronic pain, improve sleep pattern & enhance overall well-being.

OPTICA STUDENT CHAPTER

OPTICA student chapter (formerly named as Optical Society of America) supports an extensive global network of more than 370 Student Chapters worldwide. These chapters managed for and by the students. The OPTICA student chapter of SKIT Jaipur was inaugurated by Prof. V Sinha (Retired professor IIT Kanpur) on 13th February 2019. The chapter serves as a means of communication and interaction between students, faculty, researchers, and industry professionals. The objective of this chapter is to promote awareness of optical science and the latest trends in optical as well as the electronics and communication engineering among the student and local communities. Recently, Mr. Anshul Kothari of Final year, ECE (a member of OPTICA student Chapter, SKIT) was invited to participate and present his project idea in the student Leadership conference (SLC) and Annual Meeting, Frontier in Optics/ Laser science (FiO/LS), held on 13-19th September 2019 in Washington DC, USA. The OPTICA society, USA providing financial support for organizing many events and outreach activities under the umbrella of this student chapter.

IEEE COMPUTER SOCIETY STUDENT BRANCH CHAPTER

The IEEE Computer Society Student Branch Chapter is a community developed by a group of enthusiastic students from SKIT. The objective of the chapter is to foster interest and passion in computer science, a fast-growing research field with wide applications in almost all aspects of human life. The community aims to facilitate its student members by incorporating them into the global network of the computer science community, consisting of academicians, researchers, scientists, and engineers from different institutions and organizations from all over the world. The society actively organizes expert talks, hands-on workshops on programming languages like Python, MATLAB etc. and many other program on emerging technologies. Chapter provides a platform to students to interact, collaborate and connect with distinguished speakers, academicians, researchers in different technology areas.

IEEE MTTs STUDENT BRANCH CHAPTER

The IEEE Microwave Theory and Techniques Society (MTTs) student branch chapter promotes the advancement of microwave theory and its applications, including RF, microwave, millimeter-wave, and terahertz technologies. The mission of the chapter is to continue to understand, influence microwave technology and to provide a forum for all microwave engineers.

The activities sponsored by the MTTs include a broad spectrum of conferences, workshops, tutorials, technical committees, chapter meetings, publications and professional education programs. Our professional venues provide a great opportunity for networking with experienced innovators, experts, and practitioners.

SKIT SAE INDIA COLLEGIATE CLUB

This club was established on 6th March 2010 with a motive of enhancing the technical skills of the students. SAE INDIA is one of the few professional engineering societies whose membership represents practically every engineering and scientific discipline. Its members combine their specialized abilities to further advance the research, development, design, manufacture and utilization of vehicles (ATV) which operate on land and water and in air and space.

ICI CHAPTER

SKIT, Jaipur is institutional member of ICI (Indian Concrete Institute) and also running its student chapter. ICI is one of the leading professional bodies in India, being a nonprofit Organization; it is dedicated to the cause of disseminating knowledge on concrete and to address the Research Needs of Concrete. ICI embraces budding civil engineers thro ICI Students Chapters. The very objective of the students' chapters is to bridge the gap between their theoretical knowledge and what is being practiced in the field. Their involvement in ICI activities help them shape themselves to face the challenges in the field, when they come out of the Institutions and enhance their Employability Quotient.

ASME STUDENT SECTION

The ASME Student Section SKIT, Jaipur functioning under department of Mechanical Engineering was established in December, 2009 to provide the students with the opportunity to enhance their knowledge of the technical world, showcase talent and network with professionals and other student members from all over the world. All the first year students (from any branch) are eligible to become its member without any membership fee. Student members participate in ASME SPDC, ASME SLS and ASME HPVC every year and won several prizes. A team of four students of ASME Student Section won first prize in reputed Innovative Additive Manufacturing 3D (IAM3D) competition under ASME E-Fest Asia pacific 2019 held at VIT Vellore. The team have designed, manufactured and tested a hovercraft using 3-D printing for natural disaster situations. In this competition 25 teams from IITs, NITs, Hongkong Polytechnic and other reputed institutes from Asia pacific have participated.

ISTE CHAPTER

SKIT has a long term association with The Indian Society for Technical Education (ISTE), which is the leading national professional non-profit making society for the technical education system in our country with the motto of career development of teachers and personality development of student. The objective of the SKIT- ISTE student chapter is to keep the students of the institute updated about the recent technologies. The Institute arranges lectures and invites eminent personalities from Industries and other reputed organizations to deliver lecture.

IETE STUDENT FORUM

The SKIT-IETE Student Forum functioning under department of electronics and communication engineering was established in 2013. This forum provides a well-planned and sophisticated platform for extracurricular activities in the emerging field. IETE student forum regularly conducts technical activities like, conferences, workshops, exhibitions, technical tours and also facilitates the exchange of information and ideas on these subjects with the senior members of IETE.

IGBC STUDENT CHAPTER

SKIT, Jaipur is institutional member of Indian Green Building Council (IGBC) which is the part of Confederation of Indian Industry (CII). The vision of the council is, "To enable a sustainable built environment for all and facilitate India to be one of the global leaders in the sustainable built environment by 2025". SKIT is also running the local chapter of IGBC since Oct, 2019. The objective is to reach out the IGBC vision at the regional level. The main agenda of the chapter is to involve local agencies & institutions in the green building movement.

IEI STUDENT CHAPTER

The Institution of Engineers (India) Student Chapter for Electrical Engineering and Electronics and Communication Engineering were established in 2012 and 2019, respectively. These chapter provides opportunities to participate in technical events e.g. seminar, conferences, workshops organized by IEI state /global centres. They can access library facility state /global centres across the country. Students gets the opportunity to meet fellow engineers for their professional development.

SEMINARS/CONFERENCES/ WORKSHOPS/ SYMPOSIA ORGANIZED DURING 2021-22

S. No.	Title of Event	Type of Event (Conf./Workshop/ Seminar/ Hackathon etc.)	Mode (Online/ Offline)	Level of Event (International or National)	Date & Duration of Event	Organizers
1	Two Day International Symposium On Advances in Computational Intelligence for Power Systems	Conference	Online	International	28-03-2022 to 29-03-2022	SKIT Jaipur
2	STTP on "Modelling and Simulation in Engineering Applications"	STTP	Online	National	22-03-2022 to 26-03-2022	SKIT Jaipur
3	Workshop on Volumetric Analysis	Workshop	Online	National	08-03-2022	SKIT Jaipur
4	FDP on Application of VLSI in artificial intelligence (rescheduled)	FDP	Online	National	07-03-2022 to 11-03-2022	SKIT Jaipur
5	International Conference on Mathematical and Statistical Computation	Conference	Online	International	03-03-2022 to 05-03-2022	SKIT Jaipur
6	Expert Lecture on calculations of fuel (online Webex)	FDP	Online	National	01-03-2022	SKIT Jaipur
7	International conference on Advancements in Nano and Communication Technologies	Conference	Online	International	24-02-2022 to 26-02-2022	SKIT Jaipur
8	Writing and Publishing of Quality Research Articles and Ethics of Research	FDP	Online	National	21-02-2022 to 25-02-2022	SKIT Jaipur
9	FDP on Smart Use of Renewable energy resources for sustainable future	FDP	Online	National	21-02-2022 to 25-02-2022	SKIT Jaipur
10	Student workshop of Fuels and Lubricants	FDP	Online	National	16-02-2022	SKIT Jaipur
11	One week student Workshop on Auto CAD Applications in Engineering Graphics and Machine Drawing	Workshop	Online	National	14-02-2022 to 19-02-2022	SKIT Jaipur
12	National Seminar on Opportunities & Challenges for Young Managers	Seminar	Online	National	12-02-2022	SKIT Jaipur
13	Student Workshop on IoT with Machine Learning & Artificial Intelligence	Workshop	Online	National	09-02-2022 to 19-02-2022	SKIT Jaipur
14	International Conference on "Emerging Technologies in Computer Engineering: Cognitive Computing and Intelligent IoT" (ICETCE-2022)	Conference	Online	International	04.02.2022 to 05.02.2022	SKIT Jaipur
15	Winter School on Enhancing LSRW Skills In English	FDP	Online	National	01-02-2022 to 15-02-2022	SKIT Jaipur
16	International FDP (Online) on "Computer Vision & Image Processing"	FDP	Online	National	31-01-2022 to 04-02-2022	SKIT Jaipur
17	Student workshop on Introduction to Python Programming	Workshop	Online	National	27-01-2022 TO 29-01-2022	SKIT Jaipur
18	STTP on Emerging Tools and Techniques in VLSI, MEMS and MOEMS	STTP	Online	National	25-01-2022 to 29-01-2022	SKIT Jaipur
19	Workshop on Materials Fabrication & Characterization Techniques	Workshop	Online	National	24-01-2022 to 28-01-2022	SKIT Jaipur
20	Five Day Faculty Development Program "Ecological and Eco-efficient Construction Practices (EECP-2022)"	Faculty Develo. Prog.	Online	National	17-1-2022 to 21-1-2022	SKIT Jaipur
21	AICTE-ISTE Approved One Week FIP on Recent Trends in Robotics and Automation.	FDP	Online	National	05-01-2022 to 11-01-2022	SKIT Jaipur
22	International FDP (Online) on "Research Applications in the field of Artificial Intelligence"	FDP	Online	International	04-01-2022 to 08-01-2022	SKIT Jaipur
23	National Workshop (Online) for Non-Teaching Staff on "Basics of Cyber Security, MS office 365 & Work Etiquettes"	Workshop	Online	National	20-12-2021 to 24-12-2021	SKIT Jaipur
24	LSRW Skills	FDP	Online	National	20-12-2021 to 24-12-2021	SKIT Jaipur
25	5 - Day FDP on "Transportation Geotechnics and Materials for Sustainable Infrastructure (TGMSI 2021)"	FDP	Online	National	13-12-2021 to 17-12-2021	SKIT Jaipur
26	Workshop on Learning Physics through Simulation & Experiments	Workshop	Online	National	06-12-2021 to 10-12-2021	SKIT Jaipur
27	Faculty Development Program on Computational Mathematics and Recent Advances in Management Principles.	Faculty Develo. Prog.	Online	National	15-11-2021 to 19-11-2021	SKIT Jaipur
28	FDP on NBA Accreditation and Teaching -Learning process in Engineering (NBA-ATLPE, 2021)	FDP	Online	National	15-11-2021 to 19-11-2021	SKIT Jaipur
29	FDP on Robotics & Mechatronics in Manufacturing (RAMM-21)	FDP	Online	National	15-11-2021 to 19-11-2021	SKIT Jaipur
30	National Seminar on Post COVID Entrepreneurial Opportunities	Seminar	Online	National	28-10-2021	SKIT Jaipur
31	International Conference on Environmental Pollution Abatement and Disaster Management(ICEPADM-21)	Conference	Online	International	18-10-2021 to 20-10-2021	SKIT Jaipur
32	International Conference on "Recent Advancements in Science, Engineering & Technology, and Management" (ICRASET- 2021)	Conference	Online	International	01-09-2021 to 02-09-2021	SKIT Jaipur
33	Lecture Series on Recent trends in Electronics and Communication (RTEC-21)	FDP	Online	National	20-09-2021 to 24-09-2021	SKIT Jaipur
34	FDP On "Techno-Economic Assessment of Flexibility Competency in a Deregulated Power System"	FDP	Online	National	20-09-2021 to 24-09-2021	SKIT Jaipur
35	Short Term Training Program on Mathematical Softwares.	FDP	Online	National	13-09-2021 to 17-09-2021	SKIT Jaipur
36	5 Days FDP on "Outcome Based Education: A Paradigm for Assessment & Accreditation"	FDP	Online	National	24-08-2021 to 28-08-2021	SKIT Jaipur
37	FDP on Advance Research Methodology and Writing of High-Quality Research Papers	FDP	Online	National	24-8-2021 to 28-8-2021	SKIT Jaipur
38	One Day Seminar Intellectual Property Rights & Innovations (Online)	Seminar	Online	National	19-08-2021	SKIT Jaipur
39	FDP on Management of Financial Resources: Need of the Time	FDP	Online	National	17-8-2021 to 19-8-2021	SKIT Jaipur
40	Student Workshop on Introduction to CAD and its Applications	Workshop	Online	National	16-08-2021 to 21-08-2021	SKIT Jaipur

OUR INFRASTRUCTURE

The entire campus combines spacious and technologically driven blocks that are stretched with sprawling green areas. The various blocks are multi-storied buildings empowered with properly ventilated and spacious classrooms, laboratories and tutorial rooms and various seminar halls and auditoriums. The classrooms are equipped with smart classroom applications and audio and visual aids that foster quality training. The various blocks for the functional purposes are:

THE VISHVAKARMA BLOCK

The Vishvakarma Block houses the Department of Mechanical Engineering and the Department of Management Studies. The block also has a seminar hall having a seating capacity of 250 persons (each) and many small halls for student activities. Each block encompasses a disciplined academic environment and provides ample opportunities to organize significant extra-curricular activities.

THE DHANVANTRI BLOCK

The Dhanvantri Block includes the Administrative offices of the Chairman and Director, Principal and other administrative offices. The Block houses the central library that is The Gyandan Resource Center.

SIR M. VISVESVARAYA BLOCK

This block is the working space for the Departments of Electrical Engineering, Civil Engineering and the Basic Sciences and Humanities Department. Built on an approximate area of two lac sq. feet, the block holds the biggest auditorium called the Gyanmandir Auditorium of a seating capacity of 850 people and a mini auditorium named as J.C Bose Auditorium having a seating capacity of 250 persons. It also has a mini open air theatre called the C.V Raman Theatre.

GYANDAN RESOURCE CENTRE

Gyandan Resource Centre is the institute's Central Library that houses the most extensive and valuable collection of books. It provides an easy access to significant newspapers, journals, magazines, periodicals and other documented materials to the students and faculty members. The library subscribes to 531 International and National journals of repute. The library in its present structure has grown up to 43334 books, 13301 titles, 73 e-Books, 622 Print Journals, Online Journals & 18000+, Videos & Tutorials are available for library users. SKIT subscribes to the membership of the online journals springer (IEI). The SKIT Digital Library runs on the LIBSYS software and includes facilities like DELNET, 8000 Video lecture Series, Reprographic, LAN, WAN, Internet Connectivity and Educational Multimedia Packages.

STUDENT ACCOMMODATION

The stimulating and holistic living environment of the hostels contributes significantly to superior academic performance. The aim is to provide a warm atmosphere that encourages free and innovative thinking. Both the boys and girls hostels have well ventilated and air cooled single and double seated rooms. The College Mess provides healthy and hygienic food to hostellers and day scholars (on payment). Prompt medical attention and regular visits by doctors is available. The hostels have geyser facility for the winter season. Besides these, there are separate gymnasiums, outdoor and indoor games facilities, TV rooms and free internet facility with Wi-Fi connectivity. At present the NIRWANA BOYS HOSTEL has a total capacity of 459 single seated rooms and the GIRLS HOSTEL has a capacity of 261 double seated rooms.

THE VIKRAM SARABHAI BLOCK

This block houses the administrative offices of the Director Academics, the Departments of Computer Science and Engineering, Information Technology and Electronics Communication and Engineering, Training and Placement Cell and Examination Cell. The block also has the glorious Amphi Theatre that has held the most memorable events for the last 15 years.

SPORTS FACILITY

Sports activities are essential for development of team spirit in students. This culminates in the adequate infrastructure for sports and games like Cricket, Football, Volleyball, Basketball, Badminton, Table-tennis, Chess and several other outdoor and indoor games. The institute has also appointed a special trainer Mr. Ajeet Singh for helping students face various intra and inter sports competitions. SKIT has its own Basketball and Volleyball teams that have participated in sports events at the National and State level and have won laurels. During the few years the various sports teams of SKIT proved their mettle and won prestigious awards in their respective areas.
