MESSAGE FROM THE CHAIRMAN

As we embark on another promising academic year, it fills me with great pride to reflect on the remarkable journey of our institution. With unwavering dedication, SKIT has evolved into a beacon of academic excellence, fostering a culture of intellectual curiosity, critical thinking, and creativity among our students. This year marks a significant milestone in our history as we celebrate our 25th anniversary. It is a testament to our relentless pursuit of excellence and innovation that has propelled SKIT to the forefront of technical education in the nation. We are proud to share our recent achievements, including the prestigious A++ Grade by NAAC and securing the top position in the Quality Index Value (QIV) based on the gradings of RTU. Our undergraduate, postgraduate, and PhD programs are thoughtfully designed to incorporate the latest trends and market needs, ensuring that our graduates are well-equipped for success in their chosen fields. As we commemorate our 25 years of excellence, we rededicate ourselves to preparing students for the challenges and opportunities of the future. We are honored to be recognized as a premier institute of technical education nationwide, and we remain steadfast in our commitment to continuous improvement and excellence.

MESSAGE FROM THE DIRECTOR

As I traverse the corridors of memory, it's abundantly clear that Swami Keshvanand Institute of Technology, Management and Gramothan is not merely an institution but a vibrant force, akin to a flowing stream of fresh water. For the last 25 years, SKIT has carved its path, breaking barriers and setting new standards. While time may seem to have passed swiftly, the road to this milestone was anything but easy. Each year has been defined by relentless efforts, wholeheartedness, and steadfast perseverance. Together, we have weathered storms, scaled new heights, and emerged stronger than ever. As we set our sights on the future, I am confident that with our collective efforts, SKIT will continue to shine as a beacon of knowledge, innovation, and inspiration for generations to come. The silver jubilee beckons us to embrace yet another chapter of exploration and enlightenment. In this relay of journey, 25 years stand out, clear to yet another venture of learning and teaching, evolving and growing. know the journey ahead will be even more exciting and challenging, but I am sure that with the commitment of SKIT family, we will come out with flying colours.

Dr. S. L. Surana

MESSAGE FROM THE DIRECTOR (ACADEMICS)

Amidst the thrill and excitement resonating among students and staff members, and the collective efforts to commemorate our journey of the glorious 25 years, I find myself enveloped in a whirlwind of emotions. As I reflect upon these brilliant years, my mind is flooded by a million memories. It's been a magnificent odyssey of 25 years. I won't trivialize the glory of these years by saying that they went by in a blink of an eye, for that would be an injustice. An injustice to not remember each and every day which appeared as a new opportunity to mould ourselves and our future as per our aspirations, an injustice to not remember every setback that propelled and set us up for something greater, an injustice to not remember every collective victory that adorned the feathers in our cap. As we reflect on our past achievements, let us renew our dedication to promote innovation, inclusivity, and academic distinction in the years ahead. Let us persevere in illuminating the trajectory of wisdom, forging a luminous tomorrow for generations to come. I wish all the members of this wonderful family, a dazzlingly brilliant life. I wish them purposeful and meaningful leadership roles. I wish them a life that is legendary.
