THE EDITOR SPEAKS

SHOULD MYTHOLOGY BE CONDEMNED AS IRRATIONAL

As we are living in a postmodern world which is characterized by scepticism, rejection of universal validity of any meaning or an ideology; mythological thinking has been dismissed as irrational. There is no denying the fact that the pursuit of reason has resulted in technological advancements, but reason is destructive too as it has ridiculed the importance of mythology, and instead propagates to formulate new mythologies based on rationality.

Yoram Hazony insists that an overemphasis on reason has corroded the moral and spiritual foundations of people today, hence some sort of traditional or mythological revival is required to guide the people in difficult times. It is well known that ancient cultures used myths and sacred texts as a therapeutic tool. In modern psychology, Carl Gustav Jung established the importance of this domain in a very deep and practical way. The mythic tales provide clues and sometimes solutions as well in dealing with difficult transitions. Psychotherapists have always taken the help of stories to help people to deal with difficult situations. One such example is the parable of Cinderella which has a central theme of bereavement as she lost her parents and subjected to live a wretched life with her stepmother and stepsisters, but she always had a hope of getting freedom from the difficult situation. This story may become a saviour, if told to a psychologically weak person passing through a similar difficult phase in his life.

We should not forget that psychotherapy is indirectly related to specific cultural patterns of personality development and social intercourse of a person, which, if traced back is found to be deeply rooted in the traditional world view represented in mythologies.

COVER STORY

YOU COULD SPEND ALL DAY SWIMMING ABOUT IN THE OCEAN OF INFORMATION WITHOUT GETTING WET.

It is time to introduce you all to the Literary Club of SKIT! Since its founding in 2018, it has served as a forum in which young people may discuss their ideas, think critically, and share their perspectives. It is the brainchild of the conceivers who are passionate about literature and feel that creative side of the mind can be honed with the help of literary activities. Literary Club has been successful in exhibiting the abilities of the students by hosting a number of events, such as debate competition, story writing competition, skits, plays, poetry recitation and book quiz. This has provided the students with intriguing inspiration.

The objective of the Literary Club is to foster both analytical and creative thought processes. It provides opportunity to the students to enhance their literary talent as well as their appreciation for a variety of forms of literature. The objective of the Literary Club is not only to improve students' writing abilities, but also to foster in them an appreciation for reasoning and a desire to learn more, as well as the self-assurance necessary to communicate effectively. People who have passion for literature and would like to discuss their experiences, readings, and views with others who have the same interest and ability are the target demographic for this group.

Instilling elite oratory abilities, interpersonal skills, and communication skills within its members is the purpose of this club. In order to assist the members in developing a sense of literary appreciation as well as exploring the depths of literary criticism and analysis, this group was created. It assists the students in shaping their personalities and to put an end to any anxiety that may still be present in their thoughts regarding their ability to speak any language.

Dr Shikha Agarwal
(Coordinator, Literary club)

AAGAAZ: ORIENTATION PROGRAM FOR B.TECH FIRST YEAR STUDENTS ORGANIZED

The Orientation Programme, 'Aagaz-2022' was organized on 3 November, 2022 for the newly admitted students of B.tech first year with an objective to introduce the students to the academic tradition, ethos and academic culture of the college as well as to its various departments and facilities. Mr. Anil Dhaka (IRS), MD, RRECL was the Presiding Guest; Mr. Girdhar Beniwal (IAS), Sub-Divisional Magistrate, Tonk; and Ms. Vibhuti Mangal, Squadron Leader, Indian Air Force were the Guests of Honour. Shri Surja Ram Meel, Chairman, SKIT; Shri Jaipal Meel, Director, SKIT and Prof. S.L. Surana, Director (Academics) extended a gracious floral welcome to the distinguished guests. Prof. Ramesh Kumar Pachar, Principal, SKIT thanked the guests for their inspiring words and told the students about the rich history of the institution. He also provided vital information to the parents and their wards about the infrastructure of the college, and the academic assessment & evaluation system of the college and encouraged the parents to be in touch with the batch counsellors of their wards.

BLOOD DONATION CAMP ORGANIZED

Red Cross Club and NSS Club of SKIT organized the 20th Mega Blood Donation Camp at SKIT on 23 November, 2022. Dr. S.L. Surana, Director, Academics; Dr. Ramesh Kumar Pachar, Principal, SKIT; Mr. Jaipal Meel, Director, SKIT and Shri Surja Ram Meel, Chairman, SKIT graced the ribbon-cutting ceremony of the event. Many hospitals such as SMS, Durlabhji, and Swasthya Kalyan Blood Bank participated in the camp. Shri Surja Ram Meel congratulated the organizers for their service rendered to the society. 743 units of blood were collected in the camp.

74th REPUBLIC DAY CELEBRATED

SKIT celebrated 74th Republic Day with full enthusiasm and patriotic fervor in the front lawns of the Civil Block on 26 January, 2023. The event was graced by Prof. S.L. Surana, Director, Academics; Prof. Ramesh Kumar Pachar, Principal, SKIT; Mr. Jaipal Meel, Director, SKIT and other dignitaries. Students sang patriotic songs and staged dances mesmerizing the audience. Prof. Surana addressed the students and conveyed them the importance of Republic Day and encourage them to work for nation-building.

A PROUD MOMENT FOR SKIT

Prof. S.L. Surana, Director, Academics, SKIT was felicitated with "Lifetime Achievement" Award by the Institution of Engineers, Rajasthan on the occasion of the 74th Republic Day for his valuable and incredible contribution to the engineering and teaching fraternity. The award ceremony took place at "The Institution of Engineers," Rajasthan State Center, Jaipur on 26 Jan, 2023.

AWARENESS PROGRAM ON 'INTELLECTUAL PROPERTY RIGHTS' ORGANIZED

An awareness program on "Intellectual Property Rights" was organized by the IPR Cell in association with National IP

Awareness Mission (NIPAM) and Kalam Program for IP Literacy and Awareness (KAPILA) on 22 December, 2022. Dr. Savita Choudhary welcomed the speaker and other dignitaries and talked about the initiatives & efforts made by the IPR Cell.

The invited speaker for the session was Dr. Jitendra Singh, Assistant Controller Patents & Design, Indian Patent office (NIPAM), Ministry of Commerce and Industry, Govt. of India. He talked about the fundamental importance of IPR in Indian and international perspective and also discussed in detail about the patents, designs, trademarks, trade secrets, copyright and geographical indications and guidelines for filing patents. Dr. Praveen Kumar Jain was the faculty co-coordinator of the event.

ECA CELL ACTIVITIES

EVENTS CONDUCTED BY ECO FRIENDS CLUB

EVENT 1: 'WORLD SOIL DAY' CELEBRATED

A poster competition on 'Soil Conservation' was organized on December, 2022 portraying present and future conditions of soil with an objective to spread awareness among people regarding conservation of environment and soil.

EVENT 2: 'INTERNATIONAL YEAR OF MILLETS' CELEBRATED

Food and Agricultural Organization (FAO) of United Nations has declared year 2023 as 'International Year of Millets' with an objective to create awareness and increase production & consumption of millets. To celebrate International Year of Millets-2023, Eco Friends club organized an event in which the students were advised to include millets in their diets and were asked to send their selfies with any dish made up of millets.

'INFO-SESSION' BY GOOGLE DEVELOPER STUDENTS CLUB

An Info-session for the new students was organized by the Google Developer Student Club on 30 November, 2022 with an objective to motivate the students to find their fields of interest among a plethora of technologies present today. The faculty advisor of the club Ms. Priyanka Sharma apprised the students of the vision of the club to establish a worthy tech community in the college.

The student coordinators of the club Divyanshi Bhardwaj (3rd Year, CSE), Vinit Kumar Shah (4th Year, IT) and Akshat Surana (3rd Year, CSE) talked about the fundamental necessity of coding, cyber security and IoT and wish their juniors to excel in such technical genres. The event ended with a technical quiz in which all the students present participated via the QR code displayed on the screen hosted on slido, and the top-scoring individuals were given goodies and swags from GDSC as a token of appreciation.

TECHFEST ZONAL 'TECHNORIAN-2022' ORGANIZED

Techfest Zonal 'Technorian-2022' was organized by the Robotics Club of the Mechanical Dept. under the aegis of IIT, Bombay on 9 October, 2022. The event included interesting competitions like 'Code-Decode,' 'Cosmo Clench,' 'Mesmerize,' 'Olympiad' as well as an exhibition for young innovators. About 350 teams from various engineering colleges and schools of different states participated in the program.

Prof. Ramesh Kumar Pachar, Principal, SKIT and Prof. Dheeraj Joshi, Head, Mechanical Dept. distributed prizes and conveyed their best wishes to the participants. The competitions were organized under the guidance of Mr. Praveen Saraswat, Mr. Arun Beniwal, and Mr. Pramod Jain. The coordinators of the event were Mr. Sudesh Garg, and Mr. Brij Mohan Sharma. The vote of thanks was given by Mr. Sudesh Garg.

EVENTS CONDUCTED BY MUSIC CLUB

EVENT 1: 'AAROHAN': A LIVE BAND AUDITIONS AND INTERACTION SESSION

An offline live band auditions and interaction session - 'AAROHAN' was organized on 9 November, 2022 with an objective to provide opportunity to the students to showcase their music talents. The students from first year were short listed for future performances as vocalists, instrumentalists, and beat boxers. This club activity also encouraged other students to sing and join with the club band. It was a delightful activity enjoyed and appreciated by everyone.

EVENT 2: 'SKIT IDOL': AN INTRA COLLEGE SOLO AND DUET SINGING COMPETITION

The pre-pravah event- 'SKIT IDOL' was organized on 14 December, 2022 in Gyan Mandir auditorium. About 60 students from B-tech, Civil and Pharmacy participated in the event, out of which only 19 students were short listed to perform on the stage. The competition was held under two genres: Solo Singing and Duet. The event was successfully completed under the guidance of efficient team mentors.

DEPARTMENTS OF COMPUTER SCIENCE ENGINEERING & INFORMATION TECHNOLOGY

INTERNATIONAL CONFERENCE ON 'EMERGING TECHNOLOGIES IN COMPUTER ENGINEERING: INDUSTRIAL IOT AND CYBER PHYSICAL SYSTEMS (ICETCE-2023)' ORGANIZED

A two-day international conference on 'Emerging Technologies in Computer Engineering: Industrial IOT and Cyber Physical Systems (ICETCE-2023)' was organized from 3 to 4 February, 2023.

The welcome address was given by Prof. Ramesh Kumar Pachar, Principal, SKIT. The Conference's Organizing Chair, Prof. Anil Chaudhary threw light on the vision, mission, research framework and conference outcomes; the Technical Program Chair, Prof. Arun K. Somani discussed about the history of the conferences conducted earlier in the chain; and the General Chair of the conference, Prof. Seeram Ramakrishna gave a motivational talk to the audience.

The Guest of Honour Ms. Mona Bharadwaj, Country Manager, IBM Research talked about the fundamental aspects of innovation. Ms. Nivedita Sharma, Cloud Specialist, Microsoft discussed about the advancements in technology. Dr. Mani Madhukar, Program Manager, Global University Programs, IBM Research emphasized on the use of digital content apart from the traditional classroom teaching.

The conference was sponsored by Natural Group, Infosys Campus Connect, and IBM Skills Build Program. Prof. C. M. Choudhary gave the vote of thanks.

INTERNATIONAL CONFERENCE ON 'INTELLIGENT COMPUTING, COMMUNICATION AND INFORMATION SECURITY' ORGANIZED

All India Council for Technical Education (AICTE) sponsored international conference on 'Intelligent Computing, Communication and Information Security' was organized from 25 to 26 November, 2022 with an objective to bring together the academicians, researchers, and industrial professionals to discuss and exchange their knowledge, innovative ideas, latest issues, advanced technologies, and advancements in the area of intelligent data analysis and related applications.

All accepted papers were submitted for publication in the Springer Book 'Algorithms for Intelligent Systems Series' (ISSN 2524-7573, 2524-7565). Conference's Organizing Chairs were Dr. Mukesh kumar Gupta (HOD-CSE) and Dr Pankaj Dadheech.

FDP ON 'RECENT TRENDS AND ADVANCEMENTS IN COMPUTER SCIENCE & ENGINEERING' ORGANIZED

A one- week Faculty Development Program on 'Recent Trends and Advancements in Computer Science & Engineering' was organized under the aegis of IQAC & PAQIC, SKIT, Jaipur from 21 to 25 November, 2022.

The objective of the FDP was to form a bridge between the industry and academic Institutions and to impart the basic concepts and techniques of emerging technologies such as Machine Learning, Internet of Things, Robotics, Image Processing, Neural Networks, Sensors, Greed Computing, Blockchain etc. The coordinators of the event were Dr. Nilam Choudhary and Dr. Pankaj Dadheech.

GLIMPSE OF THE INAUGURAL CEREMONY

WORKSHOP ON 'INTERNET OF THINGS' ORGANIZED

A one- week student workshop on 'Internet of Things' (IoT) was organized jointly by the Departments of Computer Science and Electronics & Communication Engineering under the aegis of Centre of Excellence-IoT, SKIT in association with Enovate Skills, NITTTR Campus, Chandigarh; CSIR-IMMT: InTEC, Bhubaneswar from 7 to 12 November, 2022. The objective of the event was to educate the students about the building blocks of Internet of Things and their applications, use of Arduino and Raspberry Pi Module in the implementation of the basic projects, realizing the revolution of internet in mobile devices and Cloud & Sensor networks. The coordinators of the event were Dr. Praveen Kumar Jain, Mr. Ankit Agarwal, Ms. Pooja Choudhary, Mr. Pallav Rawal, Ms. Anjana Sangwan, Ms. Priyanka Sharma and Ms. Rashmi Dadheech.

GLIMPSE OF THE INAUGURAL CEREMONY

WORKSHOP ON 'GRAPHICAL USER INTERFACE DESIGN USING ANGULAR FRAMEWORK' ORGANIZED

A one-week student workshop on 'Graphical user Interface Design using Angular Framework' was organized by the Department of Information Technology in association with IEEE Computer Society Chapter, IEEE Delhi Section, IEEE

Rajasthan Subsection, Student Branch Chapter of Departments of CSE & IT and Habilelabs Pvt. Ltd., India for III year students from 14 to 19 November, 2022. The objective of the workshop was to introduce the students with the basic concepts of Graphical User Interface Design using Angular Framework, to provide an exposure to basic and advance HTML, CSS, JS programming; to provide hands-on-experience of best practices for Angular Framework through various case studies, expression to bind data to HTML and to enable the students to develop small application for enterprise. The event was coordinated by Ms. Sanju Choudhary and Ms. Richa Rawal.

FACULTY ACHIEVEMENT

Dr. Nilam Choudhary has been appointed as a Joint Secretary of IEEE Rajasthan Subsection.

DEPARTMENT OF MECHANICAL ENGINEERING

SKIT TEAM PARTICIPATED IN 'TABLINTON INDIA' : ALL INDIA DOCTORS' SPORTS TOURNAMENT

A team of 24 students and two faculty members participated as technical volunteers in 'TABLINTON INDIA: All India Doctors' Sports Tournament' at SMS Stadium, Jaipur held from 23 to 25 September, 2022 with an objective to learn about team work, project management and execution of task in real time. The SKIT team managed live streaming of the whole event which included sports like badminton, table-tennis, chess, carom and swimming through Docs CME app. The complete technical task was accomplished under the guidance of Mr. Rajeev Ratan (Alumnus, Dept. of ME, SKIT), Mr. Arun Beniwal and Mr. Naveen Kumar Sain.

Prof. N. C. Bhandari and Mr. Praveen Saraswat were also involved in the management of the task and to support the team to make the venture successful. The participants were given 'certificates of appreciation' and internship offer in Blitz Eduventure Technologies Private Limited (owner of Docs CME app), hospitals and event management companies like Brassica Grills.

STUDENT DEVELOPMENT PROGRAM ON 'SCILAB' ORGANIZED

A one-week online Student Development Program on 'Scilab' was organized jointly by Spoken Tutorial, IIT Bombay; Department of Mechanical Engineering and ASME Student Section of SKIT from 3 to 7 October, 2022 with an objective to introduce the students with basics of Scilab and its applications. A total of 204 students registered for the SDP. Participation certificates were given to all the registered

participants after successfully completing the SDP. Additional certificates were issued to the participants who passed the exam which was conducted after the completion of SDP through Spoken Tutorial portal.

EXPERT TALK ON '7 TOOLS OF QUALITY MANAGEMENT IN INDUSTRIES' ORGANIZED

An expert talk on '7 Tools of Quality Management in Industries' was given by Mr. Shadman Husain, Ex-Project Manager, BOSCH Ltd., Jaipur on 22 September, 2022. Mr. Husain explained the importance of 7 Quality Tools, viz. histogram, cause & effect diagram, flow chart, control chart, check sheet, pareto chart and scatter diagram with the help of examples such as complaints/feedback given by the waiting patients at a hospital reception-desk. He also suggested the students to refer standard books for better understanding of the Quality Management.

INTERNATIONAL CONFERENCE ON 'SMART INDUSTRIES AND MANUFACTURING SYSTEMS FOR SUSTAINABLE DEVELOPMENT – SIMS-2022' ORGANIZED

International Conference on 'Smart Industries and Manufacturing Systems for Sustainable Development' was organized from 11 to 12 November, 2022 with an objective to educate the participants with state-of-the-art development in the field of industrial and production engineering including Additive Manufacturing, Advanced Machining, Artificial Intelligence, Energy Management, Environmental Aspects, Fuzzy Logic & Genetic Algorithms, Green Manufacturing, High Speed Machining, IOT and Industry 4.0, Industrial Robotics, Industrial Tribology, Industrial Waste Management, Smart Materials, Sustainable Manufacturing, etc. The eminent speakers- Prof. P N Rao, University of Northern Iowa, USA; Prof. R. Echempati, Kettering University, USA;

Prof. Rajeev Agrawal, MNIT Jaipur; Prof. J P Mishra, IIT, BHU gave keynote lectures during the conference.

The conference was coordinated by Prof. Dheeraj Joshi, Dr. Manoj Kumar Sain and Mr. Praveen Saraswat.

STAFF DEVELOPMENT PROGRAM ON '3D PRINTING' ORGANIZED

A five-day Staff Development Program on '3D Printing' was organized for the non-teaching staff in collaboration with E-Yantra Lab, SKIT from 16 to 20 January, 2023 with an objective to educate the participants with the principles of 3D printing. Besides this, the participants made a Udi model on Tinkercad software and learned slicing of the model on Kuera software.

Prof. Dheeraj Joshi, Mr. Praveen Saraswat, Mr. Ankit Agarwal and Mr. Dinesh Lal Gupta were the coordinators of the event.

WORKSHOP ON 'MODELLING AND ANALYSIS OF ENGINEERING SYSTEMS' ORGANIZED

A three-day student workshop on 'Modelling and Analysis of Engineering Systems' was organized from 1 to 3 December, 2022 with an objective to enhance the basic knowledge and to give hand-on experience of Engineering Systems using Creo and ANSYS. The workshop was Coordinated by Dr Prem Singh, Mr. Sudesh Garg and Mr. Suhaib Ansari.

INDUSTRIAL TOUR FOR STUDENTS ORGANIZED

A one-week industrial tour for fifth semester students of ME was organized from 5 to 10 December, 2022 with an objective to provide the students an exposure to industrial culture, machineries, industrial processes, and safety regulations. Four reputed industries-Munjial Showa (Hero Group), IMT Manesar; Kaizen Engineering Works, Neemrana; MT Autocrafts, Pinjore; and Milestone Gears, Pinjore were visited during this tour. The students were accompanied by three faculty members- Mr. Dinesh Kumar Sharma, Mr. Arun Beniwal and Ms. Monika Khurana.

FDP ON 'SCILAB' ORGANIZED

Faculty Development Programme on 'SCILAB' was organized in collaboration with Spoken Tutorials, IIT Bombay from 5 to 17 December, 2022. The inaugural ceremony was graced by the presence of the Chief Guest Ms. Jyoti Solanki, Training Manager, IIT Bombay; Prof. Mukesh Arora, Head-ECE & OFA; Prof. Praveen K. Jain, Dy. Head-ECE and Ms. Priyanka Sharma.

Ms. Jyoti discussed about the basics of Scilab and also talked about the importance of Spoken Tutorials, a project of the National Mission on Education through ICT funded by the Ministry of Education (MHRD), Govt. of India. The FDP provided a two-week training to the participants through an online platform. The participants securing 40% and above percentage in the test got the course completion certificates while others got the certificates of participation. Ms. Rajni Idwal was the coordinator of the event.

WORKSHOP ON 'INTERNET OF THINGS' ORGANIZED

A one- week workshop on 'Internet of Things' was organized jointly by the Departments of Electronics & Communication Engineering and Computer Science Engineering under the aegis of Centre of Excellence- IOT, SKIT in association with Enovate Skills, Chandigarh and CSIR-IMMT: InTEC, Bhubaneswar from 7 to 12 November 2022. The inaugural ceremony was graced by the presence of the Chief Guest Mr. Ajay Godara, CEO-Enovate Skill, Chandigarh; Prof. S. L. Surana, Director, Academics; Dr. Mukesh Arora, Head-ECE and Dr. Anil Choudhary, Head- IT.

Mr Godara talked on increasing digitalization and datafication of society, network control and management of manufacturing equipment and assets & situation management. The eminent speakers in the workshop were Ms. Ratna Saravanabhavan & Mr. Raghu Ramaswamy, Solution Architect, IBM and Dr. Satyajit Rath, Principal Scientist and Head-CNeM, CSIR-IMMT, Bhubaneswar.

The faculty coordinators of the event were Dr. Praveen Kumar Jain, Mr. Ankit Agarwal, Ms. Pooja Choudhary, Mr. Pallav Rawal, Ms. Anjana Sangwan, Ms. Priyanka Sharma and Ms. Rashmi Dadheech. Ms. Ayushi Khandal was the student coordinator.

WORKSHOP ON 'IOT AND SMART DEVICES' ORGANIZED

A one-week workshop on 'Internet of Things and Smart Devices' (IoTSD-2022) was organized by the Department of Electronics & Communication Engineering in association with Enovate Skill, Chandigarh and CSIRIMMT: InTec, Bhubaneswar from 21 to 26 November, 2022. The program was graced by the presence of the Chief Guest Mr. Gunjan Saxena, Dy. Director General, Department of Telecom, Rajasthan and Chairman of I.E., Rajasthan State Chapter and Guest of Honor Mr. Ajay Godara, CEO, Enovate Skill, Chandigarh.

Mr. Gunjan Saxena highlighted the role of engineers in the development of a nation and discussed about the importance of IoT in daily life. The Guest of Honor Mr. Godara introduced the participants with the key findings of his work in the field of Internet of Things and also informed about the number of concerns and risks in the growth of IoT technologies and products, especially in the areas of privacy and security. Hands- on sessions on Arduino and different electronic sensors, ESP-8622 Wi-Fi based microcontroller and transformers were also held by the experts. The coordinators of the event were Dr Rukhsar zafar, Dr Swati Arora, Ms Manju Choudhary, Ms Pooja Choudhary, Mr Lalit Kumar Lata and Mr Sunil Lakhawat.

DEPARTMENT OF ELECTRICAL ENGINEERING

WORKSHOP ON 'INDUSTRIAL COMPETENT ENHANCEMENT PROGRAM' ORGANIZED

The Department of Electrical Engineering organized a 3-day workshop on 'Industrial Competent Enhancement Program' in association with IET Student Chapter from 13 to 15 October, 2022 with an objective to apprise the students of the requirements, prospects and working of different sectors such as Rajasthan power system, corporate sector etc. The participants were explained about different programming languages such as C++, MATLAB, and Python and were also briefed about the importance of communication skills. There were total 9 sessions in the 3-day workshop, each session conducted by an eminent expert. The event was coordinated by Mr. Vikas Ranveer Singh Mahala, Mr. Tarun Naruka, Mr. Akash Deo and Mr. Deepak Saini.

INDUSTRIAL VISIT TO CHILLA HYDRO POWER PLANT AND BHEL, HARIDWAR ORGANIZED

The Department organized an industrial visit to Chilla Hydro Power Plant and BHEL, Haridwar, Uttarakhand for the students from 26 November to 1 December, 2022 with an objective to educate the students about the salient features of the hydropower generation project and also to introduce them with various construction units of BHEL for developing parts of heavy electrical machines.

The visit was coordinated and guided by Ms. Smriti Jain and Mr. Deepak Saini.

ICI FEST '22 ORGANIZED

ICI Fest '22 was organized from 26 to 27 November, 2022 with an aim to promote industrial collaboration. It comprised of the programmes, 'The Engineer's Saga' & 'The Student Ventures' for the industry persons and students respectively. Events like 'Charcha se Samadhan'- The Tech Talk & The Masters' Meet for students; inter college events like 'Brick O Brick', 'Joist Kwik', 'Bowling Alley', 'Crack the CAD' were held. The key highlight of the fest was the 'Civil Expo' which was an amalgam of technical evolution and innovation. Alumni Meet, 'Walkathon' and 'Cyclothon' were also organized with an objective to spread the message of road safety and health. The Fest was graced by the presence of Mr. Pawan Arora, Commissioner, Rajasthan Housing Board. The coordinators of the event were Mr Anirudh Mathur & Mr. Nishant Sachdeva.

WORKSHOP ON 'DESIGN AND DEVELOPMENT OF SELF-COMPACTING CONCRETE' ORGANIZED

A five-day student workshop on 'Design and Development of Self-compacting Concrete' (DDSCC- 2022) was organized from 9 to 14 December, 2022 in collaboration with NIRMAAN club of SKIT. Dr. Abhishek Jain briefed the participants about the workshop and gave an overview of the schedule of the Workshop. In the inaugural session, Dr. Rakesh Chaudhary welcomed the participants and explained the importance of Self- Compacting Concrete (SCC) and recent developments in construction industry.

DEPARTMENT OF MANAGEMENT STUDIES

INDUSTRIAL VISIT TO 'JAIPUR RUGS FOUNDATION' ORGANIZED

The Department of Management Studies organized an industrial visit to 'Jaipur Rugs Foundation' for the students of MBA on 9 November, 2022 in order to provide the students an opportunity to exchange ideas, learn about new techniques, management and smooth running of an organization.

NATIONAL SEMINAR ON 'NURTURING FUTURE LEADERS' ORGANIZED

One -day national seminar on 'Nurturing Future Leaders' was organized on 12 December, 2022. Mr. Akshaya Goyal, Executive Director, BNI Foundation was the expert speaker for the first session, wherein he discussed about the role of a leader and the desirable skills a leader should have. This was followed by the talk of Ms. Neelam Mittal, Regional Coordinator, BNI Foundation, Jaipur. She emphasized that no one is born a leader, but we all work our way up to become leaders. The second session of the seminar was on skill development of youth for 'Industry 4.0 and Beyond'. In this, Ms. Anshu Harsh, Regional Coordinator, BNI Foundation and Mr. Jaswindra Singh Uppal from Green Field E Resources and President, BNI Moonstone were the expert speakers. They discussed about the qualities of a good leader, the need of the leader to focus on the long term goal while working with co-workers, the definition of a successful leader and the role & responsibilities of emerging leaders. Ms. Meenakshi Solanki, Foundation Coordinator, BNI Onyx and Ms. Vandana Garg, Foundation Coordinator, BNI Moonstone were the experts for the third session on 'Ethical Leadership'. This was followed by the fourth session of the national seminar in

which Ms. Kirti Jain, Secretary/Treasurer, BNI Onyx and CEO of Nutrition Hai Zaruri; Mr. Kush Vaishnav, Mentor Coordinator of BNI Moonstone & CEO, Kreative Kites and Ms. Saloni Sodhani, Vice President, BNI Moonstone & CEO, OM Caters shared the hurdles they faced in their entrepreneurial journey.

The seminar concluded with a valedictory ceremony. Dr. Atul Gupta, Dy. HOD proposed the vote of thanks. The seminar was coordinated by Dr. Ona Ladiwal and Dr. Atul Gupta.

INTERNATIONAL CONFERENCE ON 'ROLE OF BUSINESS MANAGEMENT AND SOCIAL INNOVATION IN SUSTAINABLE DEVELOPMENT' ORGANIZED

A two-day international conference on 'Role of Business Management and Social Innovation in Sustainable Development' was organized from 12 to 13 January, 2023. The honoured guests were Dr. Rajeev Naruka, CEO of restaurant Pink Adrak; Mr. Akshay Goyal, Executive Director BNI, Jaipur & Mrs. Ranoo Shrivastava, President, Forti Women's Wing. Mr. Akshay Goyal shared his ideas on exporting, foreign currency & the green field project and also discussed about the philosophy of 'givers gain' which his company BNI follows. Mrs. Ranoo Shrivastava stressed on the importance of setting up priorities, creating the opportunities and making one's moral values strong. The keynote lectures were followed by paper presentations. The conference was coordinated by Dr. Ona and Dr. Maneesha Kaushik.

NATIONAL SEMINAR ON 'ANALYSIS OF UNION BUDGET-2023' ORGANIZED

One-day national seminar on 'Analysis of Union Budget-2023' was organized on 11 February, 2023 for the students of Management studies. The Chief Guest, Mr. Bharat Sharma, Founder and Director, Stocnerv set the tone for the discourse by raising several points pertaining to budgetary

reforms in India such as certainty and continuity in the policy decisions ease of compliances, new tax regime for taxation at concessional rates for individual and HUF and for new manufacturing co-operatives setup, taxation of deemed accrual of gift made to residents provisions for taxation of start-up-amendment to section 80IAC and section 79 and Payment to MSME-amendment to section 43B. CMA Akshay Sen and Mr. Manish Kukreja, Director, UPSkill Commerce Classes were the keynote speakers. They discussed about the direct tax provisions, fiscal deficit, income tax law, and increase in the per capita income.

The student oriented panel discussion was also organized in which panelists discussed the impact of budget on various sectors of economy. Students presented their views with full enthusiasm. FACULTY ACHIEVEMENT

Dr. Nidhi Sharma has contributed as a resource person in developing a Massive Open Online Course (MOOC) for 'English Grammar for Competitive Exams' and 'Professional Communication Skills' designed by Data Analytics as a joint venture between IIIT Kota and the Directorate of Education, Government of Rajasthan.

Dr. Nidhi Sharma has also been appointed as the reviewer in Cogent Arts and Humanities, Scopus Journal published by TAYLOR & FRANCIS, UK

DEPARTMENT OF PHYSICS

WORKSHOP ON 'LEARNING PHYSICS THROUGH SIMPLE EXPERIMENTS' ORGANIZED

A two-day student workshop on 'Learning Physics through Simple Experiments' (LPSE-2023) was organized in collaboration with Indian Association of Physics Teachers, Rajasthan Chapter (IAPT-RC6) from 24 to 25 January, 2023. Prof. Y. K. Vijay, President, IAPT-RC6 was the Chief Guest; and Dr. Vipin Kumar Jain, J K Lakshmipat University was the Guest of Honor. Prof. Vijay discussed about the fundamentals of Quantum Physics through simple experiments, while Dr. Vipin Kumar Jain explained the basics of electronics and optics through self-developed models. The sessions were interactive and participants learned by performing the experiments themselves. Dr. Komal Sharma, Dr. Manasvi Dixit and Mr. Rajiv Kumar were the coordinators of the event.

WORKSHOP ON 'VIRTUAL PHYSICS LAB' ORGANIZED

A three-day student workshop on 'Virtual Physics Lab' was organized from 31 January to 2 February, 2023. About 350 students attended the workshop. Mr. Rajiv Kumar and Mr. Pawan Kumar Jain introduced the students with the objective and philosophy of virtual lab developed by IITs and other reputed institutes. All the sessions were interactive and participants learned a lot by performing the experiments themselves. Mr. Rajiv Kumar, Mr. Pawan Kumar Jain and Dr. Ajay Kumar Sharma were the coordinators of the event.

GLIMPSE OF THE WORKSHOP

COURSE/ TOPIC : Classical Electromagnetism - 2 (Magnetostatics)
 COMPLETED BY : B.R. Sharma, Rishi Vyas, Komal Sharma, Rajiv Kumar, Manasvi Dixit, Ajay Kumar, Pawan Kumar Jain
 DURATION & CATEGORY: August to December, 2022, (Centre for Continuing Education, IIT, Kanpur)

DEPARTMENT OF MATHEMATICS

SEMINAR ON 'MATHEMATICAL MODELING IN ENGINEERING SCIENCES' ORGANIZED

A one-day seminar on 'Mathematical Modeling in Engineering Sciences' was organized on the occasion of the Foundation Day of Gwalior Academy of Mathematical Sciences on 12 December, 2022. The Chief Guests of the event were Prof. V.P. Saxena, former Vice Chancellor, Jiwaji University, Gwalior and Prof. Praveen Agarwal, Vice Principal, Anand International College of Engineering.

Professor Saxena highlighted the importance of Mathematical Models and explained, that apart from natural science and technology, they are also used in social sciences like Economics, Sociology and Political Science.

He also gave a lecture on 'Mixed Boundary Value Problem and Saxena I function'. Professor Agarwal discussed about Mathematical Modeling and Special Functions in very simple and easy words. Prof. Amber Srivastava, HOD Mathematics proposed the vote of thanks.

WORKSHOP ON 'VIRTUAL CHEMISTRY LAB' ORGANIZED

A workshop on 'Virtual Chemistry Lab' was organized from 6 to 11 February, 2023 with an objective to create a virtual learning space that will enable students to conduct experiments individually or in groups via internet. In this continuous learning process, the students and the teachers learned a lot about the theories of volumetric analysis. Prof. Vinita Sharma coordinated the event.

WORKSHOP ON 'VOLUMETRIC ANALYSIS AND QUALITY DETERMINATION OF LUBRICANTS AND COAL' ORGANIZED

A workshop on 'Volumetric Analysis and Quality Determination of Lubricants and Coal' was organized for the students of I year from 9 to 10 February, 2023 with an objective to educate the students through practical demonstration of titration procedures like Redox titration, Acid-Base titration, Complexometric method, Iodometric method, External Indicator method, and Double Indicator method. This was followed by another session in which the students were made to learn the handling of Redwood Viscometer, Pensky Marten apparatus, Flash and Fire Point apparatus, Hot Air Oven and Muffle Furnace. Dr. Poonam Ojha and Dr. Anurag Sharma were the coordinators of the event.

EXTENSION LECTURES SERIES ON 'ENGINEERING CHEMISTRY' ORGANIZED

The extension lecture series on 'Engineering Chemistry' was organized for B.Tech. I semester students from 7 to 10 February, 2023. The expert speakers Prof. Purnima Nag, Jaipur National University, Jaipur; Prof. Sarita Choudhary, VGU, Jaipur and Dr. Meena Nemiwal, MNIT gave lectures on various topics such as Modern and Alternative Fuels, Cement and Glass Manufacturing, Advanced Techniques of Water Purification, Mechanism of RO Purification etc. Around 400 students participated in the programme. Dr. Swati Joshi was the coordinator of the event.

Universal Human Values

Universal human values are the fundamental principles and beliefs that are shared by people all around the world, regardless of their cultural, religious and social background. These values are an intrinsic part of human nature and shape our perceptions, behaviors, and attitudes towards ourselves and others.

Some of the universal human values include:

1. **Respect:** Respect is the foundation of all human interactions. It involves recognizing the inherent worth of each individual, irrespective of their differences. Respecting the choices, opinions, and beliefs of others helps in promoting harmonious coexistence among people.
2. **Compassion:** Compassion is the act of showing kindness, understanding, and empathy towards those in need. It shows that we care and value the lives of others, regardless of their situation or background.
3. **Honesty:** Honesty is essential in building trust and credibility. It involves being truthful and transparent in all your dealings while also respecting the privacy of others.
4. **Responsibility:** Responsibility is the obligation to take care of one self and others. It involves making ethical decisions, being accountable for one's actions, and taking the initiative to contribute positively to society.
5. **Fairness:** Fairness is critical in promoting equality and justice. It involves treating everyone equally, and without bias, discrimination or favoritism, irrespective of their background, race, or status.
6. **Forgiveness:** Forgiveness is the ability to overlook the faults and mistakes of others, without seeking retribution or revenge. It involves showing empathy, compassion, and a willingness to move past the hurt, with a view to healing relationships and promoting reconciliation.
7. **Gratitude:** Gratitude involves recognizing and appreciating the beauty and goodness in life, while also expressing thanks for the kindness and blessings that one has received.

Universal human values are essential in promoting peaceful coexistence, social justice, and human dignity. While various cultures, religions and societies may have different expressions of these values, the underlying principles remain the same. By practicing these values in our daily lives, we can contribute to making the world a better, more just and compassionate place for all.

ख्वाहिश

खाबों के पिटारे में बस एक ख्वाहिश है।
बंदिशों से आजादी बस इतनी फरमाइश है।।

कुछ हैं उलझने मन में, तो कुछ हैं बंधन जीवन में,
कुछ पास होकर भी दूर हैं, तो कुछ दूरियों को मिटाने की आजमाइश है।
बंदिशों से आजादी बस इतनी फरमाइश है।।

ये तपिश क्रोध की है नहीं, ये आग विरोध की है नहीं
जिंदा तो मैं हूँ ना अब भी, ये तो फकत अरमानों की दफनाइश है।
बंदिशों से आजादी बस इतनी फरमाइश है।।

मत कहो तुम महान मुझे, हाँ नहीं भाता ये जहान मुझे,
कोमल कह दे जरा अब सब से,
भीड़ की नहीं, लोगो की ख्वाहिश है।
बंदिशों से आजादी बस इतनी फरमाइश है।।

खाबों के पिटारे में बस एक ख्वाहिश है।
बंदिशों से आजादी बस इतनी फरमाइश है।।

अस्तित्व

और फिर आज ला-इल्म सी एक बात दिल में घर कर गयी
तुम अपनी जिंदगी का मरकजी-किरदार किसी और को क्यों बनाने में लग गयी ?
जो कोई खयाल बनकर आए भी
तो उसे महज खयाल ही रहने दो
उसे चाँद बना कर अपने माथे पर क्यों सजाने लग गयी ?
तुम यूँ ही तो अच्छी हो
अपने रंग में ही तो जचती हो
किसी और के रंग में रंग अपना अस्तित्व क्यों खोने लग गयी ?
तुम बहुत नायाब हो
कीच में खिलते कमल के समान हो
देखेंगे भेड़िये तुम्हे नोच -खाने को
मगर याद रखना तुम इस जंगल में भद्रकाली का एक निशान हो
तुम जीवन की प्रेरणा बनकर उभरो
इस समाज की स्त्री-कल्पना बनकर उभरो
उभरो तुम ऐसे जैसे हीरा निकलता है कोयले की खदान से
रहमत बनो ऐसे जैसे पानी मिलता है किसी प्यासे गांव से
तुम आखिर क्यों लोगो के अंतर्मन का एक हिस्सा बनकर रह गयी ?
तुम आखिर क्यों अपना अस्तित्व खोने लग गयी ?

वह बहुत छोटी थी

घर में जन्मी थी नन्ही गौरैया,
देख भयभीत हो गई उसकी मैया !!

आस-पास था कौवों का डेरा,
ऊपर से फिर घना अंधेरा !!

मुरझा ना जाए मेरी कोमल कली,
बड़ी मुश्किलों से है जिंदगी मिली !!

रखा बचाकर सबसे माँ ने, पर अब बिटिया हुई सयानी थी,
अब तक तो था प्राक्कथन, पर अब शुरू हुई उसकी कहानी थी !!

पहली बार फैलाए पर, घोंसले से निकली बाहर है
बड़ा है आसमाँ, कमजोर है पर
मालूम है उसे भी शाम को जल्दी लौटना है घर!!

आज उसे भी ये दुनिया दिख रही थी,
धीरे धीरे औरों से मिलना वो भी सीख रही थी !!

पूरी भी न हुई थी, उड़ान अभी बाकी थी !
अभी अभी तो वो नादान घोंसले से बाहर झाँकी थी!!

नोच गया एक झुंड कौवों का, उसके सपनों की दुनिया को,
बेढंग और कमजोर कह दिया, लोगों ने उस चिड़िया को !!

नहीं देखा फिर किसी ने भी, की वह कितना रोती थी,
जिसने भी यह व्याख्यान सुना, बोला चिड़िया छोटी थी !!

गलती थी दरिंदों की भी कुछ,
या सच में चिड़िया छोटी थी ?
क्या सच में चिड़िया छोटी थी ?

घर की नींव : पिता

एक छोटी कमाई में कई सपनों को
पूरा करना होता है।।
यूँ ही नहीं जब शाम को घर लौटकर सबका
पेट भरना होता है।।
कष्टों में खुद को भूखा रख घर के मुखिया का
फर्ज़ अदा करना होता है।।
दुखों को खुशियों में छुपा कर रखना
होता है।।
अपने सपनों को बच्चों के सपनों में
ढूँढना होता है।।
परिवार के समक्ष शीला बन कर तत्पर
रहना होता है।।
जिसका वित्त व गौरव उसका कुटुंब हो।
वो है पिता।।

TEENAGE

*End of my teenage.
End of an era.
End of a line &
End of a para.*

*It was all not smooth..
It was all not rough..
It was all not honest..
It was not all bluff..*

*The lines to my aim..
didn't go all straight..
I could have got them..
If I didn't fall for the bait...*

*Still a lot to achieve..
Still a lot to find..
Still a lot to do..
For me and for the mankind...*

*Well thanks to all those who were there
and to Those who are..
You are still near to my heart
than you are far...*

*Removing all grudges which I use to hold..
It takes too much heart, but I am going to play it bold...*

BEAUTIFUL MORNING

*As the door opened,
The dawn touched her cheeks,
With its magical, pristine fingers
Greeting with a sunshine smile,
Sets straight the complex curves of life
As a fresh whiff of air blows off,
The gathered dust of time
Layered, on the internal visage*

*The happy nodding of the leaves,
Gears up the bogged down spirit
And dances away,
The sorrows with delight
The magic of the white clouds
Drifting freely in the sky*

*Scuds away the soul,
Into a complacent, candid serenity*

*Ripples of pure water
Stir the practical heartbeat
With noble and warm emotions
Forgotten long ago!
The celestial symphony,
In the soulful notes of Nature,
Tune a fragment into the whole
Manifesting the divine*

*Shoving aside the frivolities of life,
She feels eternal bliss
As she delights upon the ambrosia,
From Her vast cup
The sufferings and sorrows,
Dissipate from her mind
Like the steam from her cup,
Mingling into the mystical air.*
